To The Voters Of Brunswick County, Greeting:

Prior to the first primary I was ill and unable to travel. In spite of this I received a wonderful vote, for all of this I am very grateful.

I now solicit your further and increased support on May 24th. Let one who knows the law be Judge

Sincerely yours,
J. W. RUARK

CANDIDATE FOR

COUNTY COMMISSIONER

Folks, this is my first time to run for public office, and it sure looks like I picked a tough race, even though I was high man in the First Primary among the commissioner candidates now running. Both of my opponents in the Second Primary Election are veteran politicians and have been elected before.

I feel that I have been of some public service as Chairman for two years of the Brunswick County Farm Program, as a member of the Board of Directors of the Brunswick County Farm Bureau and as a member of the School Board at Waccamaw High School.

I sincerely believe that if you will nominate and elect me to serve as a member of the Board of County Commissioners I can and will serve the citizens and taxpayers with all of the honor and ability at my command. I will appreciate your vote and influence in behalf of my candidacy.
