Outboard Motor Races To Start Here Next Week

Second Annual Southport To Myrtle Beach Marathon Will Be Staged Along Inland Waterway Course On Next Wednesday

MANY ENTRIES IN RACE THIS YEAR

Starting Point Will Be Government Dock With Finish Line At Socostee Bridge Near Myrtle Beach

Motor Marathon from Southport to Myrtle Beach will be staged next Wednesday with the 71/2 h .p. boats getting underway at 10:00 a. m. Other classes will leave at 15 minute intervals thereafter. The race is sponsored by the Myrtle Beach Outboard Motor Club with Southport interests actively cooperating.

Considerable improvements in the program relative to the different classifications have been made since last year. Six classes, based on horsepower, will compose the entry list and rules permit the use of almost all stock motors in one class or another. The classes, as listed by Pre-

sident Stanley Edgeworth of the Myrtle Beach Outboard Motor 7½ h. p. (excluding Martin CHS and Champion "Hot Rods,")

10 hose power; 16 h. p. (excluding Mercury Hurricane); 16 h. p. (including Mercury Hurricane); 22 h. p. 33 h. p. (including 25 h. p. Mercury, 25 h. p. Johnson, 25 h. p. Evinrude.)

motors with the following alterations, if desired: Speed prop may be used, cowling may be removed if desired, open exhause is optional. Only stock fuel (gas and oil) may be used. Only stock utility boats complying with APBA regulations may be used. Among The Students At The boats will againuse the

Government dock as the starting point and the plans are to again a club house. Allowing for the orable weather Wednesday mor- ing certificates. ning spectators may be treated
