President Signs Defense Measure

President Harry S. Truman signed into a law last Friday a bill which includes in its authorization the construction of an Army ammunition depot at Sunny Point, on the Cape Fear

just above Southport. Both the U. S. Senate and House had previously approved the bill with its appropria-tion of \$1,640,000 for land acquisition and designating, \$22,-804,000 for construction of the installations. With the president's signature it is expected that some activities will begin

It is said that the construction will involve much dredging in the river between Southport and Orton and on the bar off Southport. The construction of three huge docks about also said to be in the plans, both the Atlantic Coast Line and Seaboard Air Line.
