LUMBERTON, June 25 .- Ernest R. Mayhan of Wilmington, candidate for Congress in the first primary, has announced his support of Representative F. Er-tel Carlyle in the second primary

In a signed statement delivered late yesterday to I. M. Biggs, district Carlyle for Congress chairman, Mayhan said:

"It is my honest and candid belief that Mr. Carlyle's experience and seniority make him better suited to represent the Seventh Congressional District. I believe it would mean more to and better living for the farmers, laborers and merchants of this district.

"Therefore, I am asking my friends and all of the voters of the Seventh Congressional District to support Mr. Carlyle for election to Congress.'

The Wilmington candidate was 3rd man in the May 31st contest for the Seventh District Congressional seat held by Rep. Carlyle. Runner-up was Joe Tally of Fayetteville, who called for a sec ond primary.

Biggs termed Mayhan's statement "most gratifying." He received it at Wilmington as the "Carlyle Caravan" completed a tour of Bladen and New Hanover Counties.
