

High Times

By CAROL STANLEY
And JEANNINE KINCAIDE
By: CAROL STANLEY AND
JEANNINE KINCAIDE

The baseball team has been having quite a bit of hard luck for the last couple of weeks. Let's hope they have a winning streak soon.

The Lions Club will honor players on the various teams at an athletic banquet on Thursday night. This will be the first of this kind in quite a while and the students really appreciate it.

The senior class minstrel was quite a hit. Everyone who attended seemed to be well pleased with the performance. With all the corny jokes, painted faces and bright colors, it was really hilarious.

Maybe you'd like to hear about the main event of the week ending April 30. A lot of excitement was caused by preparations for the junior-senior banquet. This was the most talked about subject of the month. The outcome was well worth the work and worry. We know that the juniors and Mrs. Williams were really pleased. The gym was beautifully decorated and the dance afterwards was truly enjoyable and the music, if you'll pardon the expression, was "real gone." This was the fourth banquet that Mrs. Williams has sponsored and they become more beautiful every year. The waiters and waitresses drew a lot of compliments and they also carried the theme of the banquet to the limit. The gowns were strikingly beautiful, and there were a variety of styles and colors.

See you next week, Folks. There's a lot of school work to be done before the end of this term.

HOSPITAL PATIENT

Ed G. Daniels, veteran of World War I is a patient in the Veterans Hospital at Durham.

The Bee Hive

By BETA CLUB

Mrs. Mitchell's combination 7th and 8th grade just finished a unit on nutrition entitled "The Seven Basic Foods."

Our Sixth grade just finished a project on "Feeding Our Teeth" and Miss Longnecker checked it and found our drawings and book lets very good. We are going to complete this project by visiting White's Dairy in Wilmington on the 24th of May.

The Fourth grade has been having a "Good English" week. Every time someone used bad English, he had to put a penny in our "Good English Box". We added the money on to what we had and bought a story book.

Seen Around — Seniors practicing for class night . . . Mr. Wilson asking all the "typists" for their typing fee . . . Freshmen having a good time on their beach trip . . . Everyone wondering who is going to Myrtle Beach . . . Juniors wondering who are going to be the marshals . . . A. C. telling Mr. McClure not to forget his going to the ball game . . . Seniors going to Orton on a field trip . . . Sophomores having a party . . . Eighth grade practicing for their graduation . . . Mary having bad luck as usual.

Lewis with a "hair cut" . . . Junior U. S. History class having a "hard" test . . . Bolivia boys hoping to beat Atkinson in the baseball game.

The Student Council elected officers for the coming year. They are President — Barbara Lesh; vice president — Polly Lanier; secretary — Sally Anderson; and treasurer — Caroline Danford. All the school is expecting the new officers to fill their offices well and hoping also that the Student Council will be as good next year as it has been this year.

Let's Support Our Neighbor

ALTON LENNON
FOR
UNITED STATES SENATOR

His appointment by Governor William B. Umstead was an honor not only for Lennon and New Hanover County, but for Southeastern North Carolina as well. We, in this section, deserve representation among the high public officials of our State, and the appointment of Alton Lennon is the first such honor we have had on a State or National level in more than a quarter century. We can show our appreciation by giving him our support.

Alton Lennon is young and able and honest.

He has the vigor and ambition of a youthful man, and there is a prospect for long years of intelligent, influential service from him in the United States Senate. Already he has gained one year of precious seniority.

He is a lawyer of recognized ability and was a valuable member of the State Legislature during his service in this important body. He has served for almost one year in the United States Senate and has gained the confidence and respect of his colleagues. He is the type of man into whose hands we can safely entrust the future welfare of our Nation.

He is honest. No record can be found where he was willing to sacrifice principle for political expediency. He has a friendly, straightforward manner that holds no brief for double-talk nor double-cross.

We Know Alton Lennon as Our Friend and Neighbor. He has an Intimate Knowledge of Brunswick County Citizens and their Needs. We can talk to him man to man about our problems and he can and will help us as our United States Senator.

LET'S GIVE HIM OUR LOYAL SUPPORT!

(BRUNSWICK COUNTY COMMITTEE FOR ALTON LENNON)
