## The Pirate Log

By ANN STANLEY ANN BELLAMY

Hi Folks! We're back again with the latest happenings around SHS.

First period seemed to drag by Friday for most students. William Cole was to present a musical program at 9:30 and everyone was anxious for it to begin. Finally the time arrived and the program was so thoroughly enjoyed by all that it seemed only a few minutes before Mr. Cole was saying good-bye.

The JV's traveled to Bolivia Thursday hoping to win their last game of the season, but the Pirate's efforts fell short and the Bolivia Bears won by a score of 16-6. Bobby Long made Shallotte's only touchdown and Jackie Hinson and Buster Norris were outstanding in the line.

Once again luck was with the Pirates as they met the Loris Lions on the Shallotte athletic field Thursday night. Both teams fought hard but Shallotte's rugged line and speedy backs proved to be too much for the Lions. Outstanding linemen for the Pirates were David Owens and Beamon Hewett with Fred Simmons doing a good job as quarter-back Lloyd Owens was a constant threat to

the opposing team playing in both the backfield and line. With less than three minutes of the game left he received a pass from Simmons to make the last touchdown and lead the Pirates to a 27-20 victory.

The Juniors and Seniors have really been trying to show their salesmanship these past two weeks. The juniors are selling magazine subscriptions, and they are making some progress, even though it's going to be hard after "Hazel". But anyway, get out and buy some magazines. The seniors are selling "The Doggie In The Window" now. This tiny pup is stuffed and covered with cloth of purple and silver with a silver "S" on the side. All you kids who need a dog, hurry to Room 33 and purchase yours. They are also, selling Christmas Cards.

Seen Around: Everyone dreading the typhoid shots... Fred Simmons wanting to go to the sick room to study English... English class really learning things when James Tripp tells them the plural of gas is gasoline... Lavern Grissett stealing candy... Phyllis Long receiving mail fourth period... Mina Jane Williams engrossed in a Life magazine while Jr. Varnum chats away... Mack Robinson giving orders... Julia Bellamy assisting with the Pirate Log.

Eye for now and take care of yourself. We'll see you again next week.

For soap jelly, dissolve one part soap in five parts of boiling water. Allow to cool and thicken for several hours.

For "dry" soapsuds, put a cupful of this soap jelly into a deep bowl and whip with a rotary egg beater or electric mixer to produce a stiff, light, meringue-like lather. Or just beat the soap itself with a small amount of water the same way.

Either the jelly or "dry" suds can be brushed or sponged directly on the surface to be washed.
