## Rail oddities

AMONG THE THOUSANDS OF ARTICLES THAT PASSENGERS HAVE LEFT IN PULLMAN CARS, PERHAPS THE MOST VALUABLE WAS A DIAMOND RING WORTH \$20,000.

ANOTHER TIME A PULLMAN PORTER FOUND A DIAMOND NECKLACE, A PEARL NECKLACE, A 14-DIAMOND BAR PIN, A SET OF PEARL EARRINGS AND A PLATINUM WRIST WATCH—WORTH ALTOGETHER ABOUT \$75,000.

THEN THERE WAS THE PORTER WHO—RETURNING A BATCH OF FRESHLY-SHINED SHOES EARLY ONE MORNING—FOUND THE MILE STREWN WITH DOZENS OF \$100 BILLS. THE MONEY HAD DROPPED OUT OF A PAIR THAT HE HAD GATHERED UP FOR SHINING AN HOUR OR SO EARLIER.

### Record Breaking Number Attend Annual Baptist State Convention

With 3,084 registered messengers and visitors in attendance, the N. C. State Baptist convention meeting in Charlotte last week broke all records. The previous high of 2,675 was recorded at Greensboro last year. Asheville will be the host city in 1955.

Approval of the committee to study race relations came after the Committee on Resolutions returned a resolution which urged the convention to "recognize the validity of the spiritual and moral basis in principle of the decision of the Supreme Court of the United States of America in reaffirming this basic human right of equality which is in strict harmony with Christian teaching."

The resolution represented a slight revision of the original document presented on the floor of the convention Wednesday by Dowd Davis of Beaufort, president of the Baptist Student Union. The phrase, asking that the principle be implemented "with utmost haste" was deleted by the resolutions committee. As the resolution was changed, the convention committed itself instead "to exercise sound judgment and Christian love in implementing this principle (of integration) in our Baptist institutions in North Carolina."

A committee of 21 appointed to study the resolution will be composed of the seven Baptist college presidents in North Carolina; heads of the three other institutions, the hospital, home for the aging, and the orphanage; secretary of State Missions; and 10 additional members (five ministers and five laymen) to be named by Convention President Douglas M. Branch.

No time was stipulated as to when this committee is to report back to the convention. "It may be next year, and it might be later," one of the convention officers said.

Authorization so that it can be made available to other farmers who might want to use this assistance.

The producer who did not get his request in the initial sign-up for approved ACP practices can still go to the county ASC office and make a late request for assistance. The late request will be approved out of money turned in by farmers who have cancelled their 1954 approved practices.
