## Announce Engagement

MISS STUART ARRINGTON'S engagement to Barry Callari, son of Mr. and Mrs. S. A. Callari, of Baton Rouge, La., is announced by her parents, Mr. and Mrs. E. H. Arrington of Southport. The wedding will take place September 1.

### Couple Honored

Dr. and Mrs. C. E. Crandall were honored at a reception given by the Training Union of the Southport Baptist Church on Sunday night immediately following the worship service.

The tables were decorated with cut flowers and green tapers in crystal holders. Mrs. George Whatley and Mrs. J. D. Ward poured punch and Mrs. E. C. Blake and Mrs. Susie Carson assisted in serving and in planning the reception. The pastor, the Rev. Leo Hawkins, presented to Dr. and Mrs. Crandall a pair of silver and crystal hurricane lamps as a gift from the Training Union.

Dr. and Mrs. Crandall have been very active in the work of the church since coming to Southport two years ago, working as directors of the Training Union and as leaders in the Young Peoples Department in the Sunday

School. Dr. Crandall is a member of the Board of Deacons of the church and Mrs. Crandall recently served as principal of the church's Vacation Bible School. This young couple will be sorely missed by the church as they move to Raleigh next week where Dr. Crandall will open an office in the Long View Gardens section of that city.

### Wedding Invitations

The following invitations have been mailed: "Mr. and Mrs. Riley Clemmons request the honor of your presence at the marriage of their daughter, Hazel Kathleen to Mr. Albert Hemingway Parker on Sunday, the third of July at three o'clock in the afternoon, Supply Baptist Church, Supply, North Carolina."

A reception will be held immediately following the ceremony at the church.

## Miss Jane McMahan Dixon Becomes Bride Of Thomas Smith Bowmer

Miss Jane McMahan Dixon of Pleasant Garden and Thomas Smith Bowmer of Southport were married Saturday at 4:30 p. m. in Pleasant Garden Methodist Church by Rev. C. O. Kennerly assisted by Dr. Wiley F. Smith of Boone.

The bride is the daughter of Mrs. Hugh Woody Dixon of Pleasant Garden and the late Mr. Dixon. Mr. Bowmer is the son of Henry Thomas Bowmer of Southport and the late Lettie Doshier Bowmer.

The bride, given in marriage by her brother, Joseph M. Dixon, was attended by her sister, Miss Ann Dixon. The bridegroom had Joseph Walton of Southport for best man. The bride's brothers, Joseph Moore Dixon and Zeno Haddy Dixon assisted. Music was furnished by Miss Reba Smith of Boone, organist, and Miss Betsy Jean Ross.

The bride wore a street-length dress and jacket of white crystallette designed with lace collar with pearl and rhinestone trim. She wore a white hat and gloves and carried an orchid on a prayer book.

The maid of honor wore a laurel green taffeta street-length dress with white accessories and carried a colonial bouquet of white roses.

After a trip to Western North Carolina the couple will live at Southport where Mr. Bowmer is pilot of a commercial fishing boat for the summer. He will enter Catawba College at Salisbury in the fall. Mrs. Bowmer received a bachelor of science degree

from Appalachian State Teachers College at Boone and has been teaching at Zelulon Vance School in Charlotte.

Those attending the wedding from Southport were: Mr. and Mrs. H. T. Bowmer, Mr. and Mrs. Otto Hickman, Lattia and Elloit Hickman, Linda Hickman, Bobby Spencer, Pooky and Claudia Webb, Mr. and Mrs. G. W. Fisher, and Joe Walton.

# MOST Modern V8 FOR YOUR JOB!

## NOW...THE SHORTEST STROKE V8's IN ANY LEADING TRUCK!

Now new Chevrolet Task-Force trucks bring you the industry's most advanced V8 engines\* with an ultra-short stroke for reduced friction and wear. Here are some of the features that make 'em the most modern V8's money can buy!

### Modern 12-volt electrical system

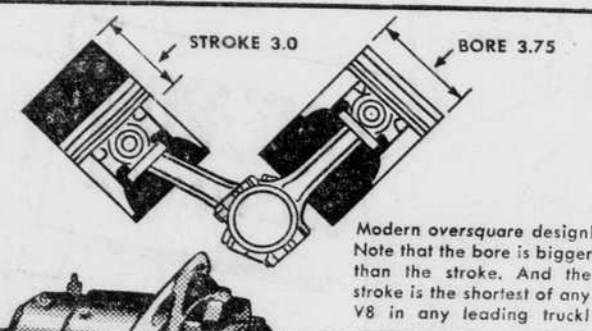

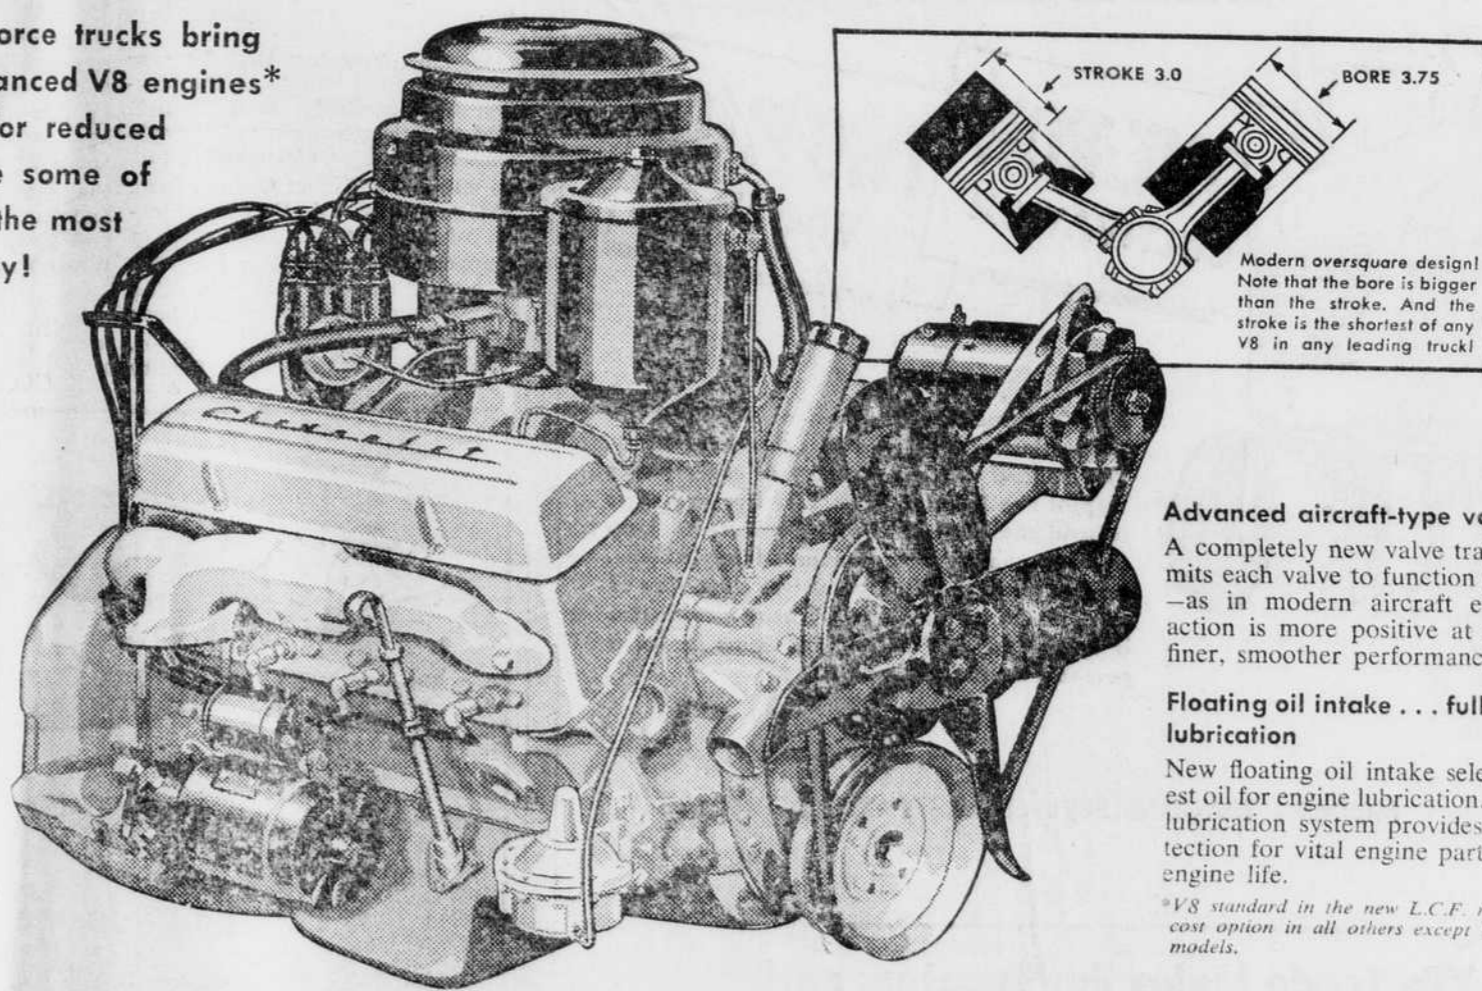

You get double the punch for quicker starting (up to 30% faster cranking speed) and more efficient ignition for finer performance. Also, you have a greater reserve of electrical power.

### Gas-saving high-compression ratio

With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power — and work — out of every tankful of gas. Your ton-mile hauling costs go down with this modern V8 power on the job!

### Extra-high power per pound

The compact, super-efficient design of these advanced V8's results in high power output per pound of engine weight. This means that more of the power is actually available for hauling.

Modern oversquare design! Note that the bore is bigger than the stroke. And the stroke is the shortest of any V8 in any leading truck!

### Advanced aircraft-type valves

A completely new valve train design permits each valve to function independently — as in modern aircraft engines. Valve action is more positive at all speeds for finer, smoother performance.

### Floating oil intake... full-pressure lubrication

New floating oil intake selects the cleanest oil for engine lubrication. Full-pressure lubrication system provides positive protection for vital engine parts... extends engine life.

\*V8 standard in the new L.C.F. models, an extra-cost option in all others except Forward-Control models.
