## Week End Fishing Hit By Weather

Bad weather put a crimp in sports fishing activities at Southport during the past few days for parties planning to go outside.

Only one report, that from Capt. Fred Fulford, was received for week end activities. On Saturday he had H. E. Goodman and party of High Point out aboard the Davis Bros. V and brought in 4 bonito, 3 Spanish mackerel and 1 king mackerel. The next day Roy McKnight and party of Charlotte brought in 5 king mackerel, 6 dolphin, 4 Spanish mackerel, 3 amberjack and 1 barracuda.

In direct contrast, some of the best surf casting and pier fishing of the season was enjoyed by fishermen who went in for this type of sport.
