County Officials

\$1.50 PER YEAR

Of Snagging And Clearance Work

Bids Will Be Opened This Week On This Emergency Work On Streams In Brunswick County

NEED ARISES FROM HURRICANE DAMAGE

Commissioners Sign Release And Landowners Must Give Right - Of - Way Agreement For Adjoining Lands

Brunswick county are included in ing that has been advertised for of this association. bids this week.

Included are Waccamaw River, 14 miles; Scippio Swamp, 4 miles; Cawcaw Swamp, 3 miles; Ash activities, the group will also Swamp, 2 miles; Bear Branch, 1 hold election for officers of the mile; Shallotte River, 1.4 miles; group. M. M. Jones, Nakina prinmiles; Little Shallotte River, 1.8 C. Powell of Old Dock is vicemiles; Saucepan Creek (Jenney's moderator, and Austin G. Long 2 miles; Alligator of Pireway is clerk. 3.7 miles; Royal Oak Swamp, 7.6 miles.

The project is for removing that has clogged these streams in places since the visitation of the hurricanes that struck this area last year. However, before any clearance may be undertaken, all property owners who own land adjoining these streams must sign a right of way agree-

The board of county commissioners called into special session Monday to draft a resolution that will expedite the disaster program. Briefly, in consideration of the work of improvement by the U. S. Government, the commissioners release the U.S. Government from all liability from damages that may result from work done by the government. This is understood to be a standard procedure, required in all cases where improvements of a public nature are carried on by the government.

Call For Bids On County Road

The State Highway Commission has called for bids on ten projects involving 64.28 miles of road work in 11 counties, including the paving the Makatoka-Juniper Creek road.

The letting will be held October 30, in Raleigh. Three days later, November 2, the Highway Commissioners will meet in Winston-Salem at the Ninth Division Office to review the low bids received and attend to other highway

The Brunswick County project calls for 9.6 miles of surfacing from Makatoka, northwest through Exum to Juniper Creek.
