

Leafs Beat Riegel In 13-Inning Tilt

Thirteen proved unlucky for the Riegel Pulpm'kers, Cape Fear League Leaders, at Legion Field, Saturday night, as the Whiteville Leafs knocked them from the unbeaten ranks with a 4-3, 13-inning victory.

Rudy Williams, who had a 2-for-3 average for the Leafs, singled sharply to rightfield with one down to score Jackie Turbeville—on after being hit—from 2nd with the winning run.

Southport Cops Runner-Up Spot

Southport edged South Wilmington, 3-2, here Sunday to take a firm grip on the runner-up rung of the Cape Fear League ladder.

Lefty Hollis Hales, who allowed but four hits, gained the nod in a hill duel over SW's Freddie Ray, who was touched for 6 by the winners. Hales fanned 12, walked 2; Ray struck out 3, issued four walks.

The triumph gave Southport, which has a 6-2 mark, a full-game edge over SW (5-2) in the battle for the CFL second-place spot.

Gus McNeill tripled and Tom Bowmer's sacrifice fly to left gave Southport the winning run in the 9th inning after South Wilmington had rallied to tie things up in the 5th. A Porter run had put the locals ahead, 2-1, in the 4th after each club had scored once in the first frame.

J. Davis led Southport with a 2-for-4 average, while Reynolds had 2 for 4 for the losers.

Stone's Captures Win Over Leland

LELAND — Stone's Athletics took advantage of seven Leland errors here, Sunday, to tame the local Cape Fear Leaguers, 6-2, despite Boyce Cole's 4-hit pitching for the home club.

Cole, however, did walk seven men to aid in the A's offense. He also fanned 9. B. Lewis was the winning pitcher for Stone's.

Reaves hit 2 for 4 for the winners and J. Eilers and Odell Benton each had 2 for 3 for Leland.

ASC Measuring Is Progressing

Sixty-One Percent Completion Reached Before Past Week-End; First Notices Being Mailed

Measuring of allotment crops in Brunswick County was 61-percent complete as of Friday. All work except for about 100 farms have been issued to reporters and with good weather and the cooperation of the farmers ASC officials expect to finish the original measurement by June 20.

Notices were mailed Monday for all farms on which measurements and computations have been completed. Anyone receiving an excess notice should contact the ASC office at once (not later than 7 days from date of notice) and state their intentions as to what they are going to do about the excess acreage.

The rates for remeasurement and disposition are as follows: Remeasurement—\$1 per acre with minimum of \$8 per farm; disposition—\$5 per farm plus \$1 for each place over one in which disposition is to be made.

summer visitor at Long Beach, died Monday in Greensboro's Wesley Long Hospital.

Sherrod donated his eyes to the North Carolina Eye Bank for Sight Restoration, with headquarters at Baptist Hospital, Winston Salem.

He is survived by his wife, Margaret Sellars; a daughter, son, his mother and a brother.

Special Training

Army Capt. William A. Stanaland, son of Mr. and Mrs. William E. Stanaland of Ash, recently completed the 31-week infantry officer advanced course at The Infantry School, Fort Benning, Ga. The course was designed to familiarize Captain Stanaland with the administrative and tactical responsibilities of an infantry field grade officer. The captain entered the Army in June 1952. The 30-year-old officer is a 1947 graduate of Waccamaw High School and a 1952 graduate of Clemson College. His wife, Margaret, lives in Columbus, Ga.

Warning Given Boat Owners

Wilmington District Engineers Issue Warning To Boatmen Who Anchor In Intraoceanal Waterway

Fishermen who anchor their boats in the Atlantic Intraoceanal Waterway are advised that it is a violation of the law and the practice could result in serious consequences.

The warning comes from the Corps of Engineers' District Office following a complaint by a commercial carrier who said that the practice "is worse this year than ever before."

Col. H. C. Rowland, Jr., District Engineer, said violations of the law concerning both anchoring and speeding, too, had resulted in damaging incidents to life

May Egg Output Sets New High

Egg production in North Carolina during May 1959 is estimated at 187 million eggs—8 percent above the May 1958 previous record, according to the N. C. Crop Reporting Service. The number of layers on N. C. farms during May 1959 was placed at 9,633,000, an increase of 520,000 from May 1958. Rate of egg production in May was 1,944 eggs per 100 layers, compared with 1,894 a year ago.

The practice, according to the complaint, appears to be most prevalent between Morehead City and Charleston, S. C.

Colonel Rowland said the law is very specific and pointed out applicable excerpts: "No boat, regardless of size, shall anchor in a dredged channel or narrow portion of the waterway for the purpose of fishing if navigation is obstructed thereby."

"Vessels shall proceed at a speed which will not endanger other vessels or structures, and will not interfere with any work in progress incident to maintaining, improving, surveying or marking the channels."

This regulation applies when meeting and overtaking other vessels and when passing through drawbridges.
