Officials Will Fly Here From Charlotte And Will Make Return Trip After Meeting Tomorrow Night

1st Lt. I. F. (Bud) Quist will pilot the plane that will land on the airstrip near Yaupon Beach tomorrow afternoon (Thursday) bringing Col. Donald Denton and Major E. Adams to Southport for the purpose of organizing a Civil Air Patrol Squadron to serve the Southport-Long Beach areas and close up the last open gap in the CAP Network along the Atlantic Seaboard. Colonel Denton has reported through Lieutenant Quist that the latest in equipment will be made available to the Southport Squadron and that most of the administrative details will be handled by the North Carolina CAP Headquarters until the Southport Unit becomes self-sustaining. After the meeting is over the three officers will place flares at the outer edges of the air-strip to guide them in their take-off and will return to Charlotte to report the local progress to the N. Shalotte Town Council Talks About Library

Mayor Roney Cheers And Other City Officials Learn Of Simple Steps Required To Obtain Public Library Facilities

Mayor Roney Cheers of Shallotte on Thursday night appointed a committee to investigate possible sites suitable for use as a public library to serve that community. Appointment of Mrs. M. H. Rourk, the Rev. H. A. Phillips, Jr. and Thurston Mintz as the committee was made at a regular meeting of the town council, following discussion of the need for a permanent library in Shallotte. The discussion brought out the fact that Shallotte is visited two-out of every three week by the Brunswick County Bookmobile but that the hour are inconvenient for working people and for school teachers and pupils. It was stated that the town of Shallotte would be responsible for providing suitable quarters for the library, lights, heat and services of a librarian. Books would be furnished on a rotating basis from the Southport Public Library System. Mayor Cheers "heartily endorsed" the proposal for a permanent public library for Shallotte and requested that members of the library committee report back to him personally as soon as they have found any building considered suitable for use. Guests at the meeting of the town council were Mrs. James M. Harper, Jr., Chairman of the Board of Trustees of the Southport Public Library, and Mrs. Phillip King, acting librarian.

Terry Sanford, Democratic nominee for Governor, will make a personal appearance in Brunswick county again before the General Election when he comes to Shallotte Monday night for a political address in the high school auditorium. He will speak at 7:30 o'clock.

We want to let Terry Sanford know that we are backing him all the way."

"I think we are in unusually favorable position, so far as the next governor is concerned," Prevatte added. "After all, we are one of the counties which gave Sanford a majority in both the first and second primary elections."
