Waccamaw Cage Tourney To Be At Bladenboro

Loop Opposes Changes Proposed In State High School Sports Set-Up At Whiteville Meeting

By JIGGS POWERS (Waccamaw AA Publicist)
The 1961 Waccamaw Athletic Association basketball tourney will be held in Bladenboro's gym, Feb. 28-March 4. It was decided at the Winter meeting of the six-school AA loop in the Holiday restaurant in Whiteville, Wednesday night.

The conference also went on record as being opposed to proposals now before the state's superintendents that would see action taken to drop Tuesday night basketball games, also eliminate state playoffs in basketball and football.

The WAA's cage tourney will go to Bladenboro, which school has had the challenging teams in the league for two years; and after a two-year stay at Chadburn. The male section of the tourney will again be a North Carolina High School Athletic Association District AA tourney, and trophies will be furnished by that body for winner and runner-up teams in the Bladenboro event. The champion in WAA male play will go directly into the State AA tourney at Winston-Salem, March 11.

No trophies will be given in consolation brackets of the event this year. A new pairings plan, presented by Coach Paul L. Powell of Whiteville, will be used, giving first and second-place teams in both girls and boys divisions first-round byes.

Principal J. W. Black of Bladenboro was named chairman of the tournament committee and

girls with 26. Donald Dickson had 18 points for the winning southport boys, who used subs most of the way.

It was the second straight win of the season for Lee's boys over defending champion Leland, and it was the third straight for them over the Tigers in two seasons. Southport upset Leland's 1960 Brunswick boys champs in the county tourney last Winter and have won the first two of three regular season meetings this year. Southport is now 6-0 at the head of the BCC boys' standings, while Leland paces the girl clubs with a 5-1 mark.

tourney manager. Principals Irie Leonard of Shalotte and Jerry Paschal of Chadburn are committee members, also.

Plans were made for a baseball schedule, and to get more publicity for the WAA. The group also went on record as opposing the proposed change in setting in the state's high school athletics. Secretary B. S. Brigman was instructed to write letters to state education officials, including Dr. Charles F. Carroll, the state education superintendent, telling them of the feeling of the loop.

Brigman, principal of Whiteville High School, and host at the dinner meeting, praised the Shalotte school officials did in conducting the Whiteville-Shalotte basketball games the week before. He told of the good police protection that saw the games were played without incident, after happenings following two earlier sports contests had caused fear of strained relations between the schools.
