Being Planned

Plans are now underway for the distribution of surplus foods in Brunswick County, and Kenneth Hewett will supervise the

of Public Welfare. In order to determine eligibility for this program, applications will be accepted three days a month from three different points to acommodate the different areas. Residents of Ash, Longwood, reeland, Shallotte and Supply should make application on Fri-

Residents of Waccamaw, Bolivia and Southport should make applications on the third Monday April 17, in the Welfare Depart ment at Southport and on the third Monday in each month

Residents of Leland, Navassa and North West Township should will be accepted on the third Fri-

Anyone wishing to apply for food should have with them names of all the members of the family, their ages and the amount of income of all members of the family. Applications cannot be completed without the proper in-formation and the head of the

family is the one to apply.

The food will be distributed from the agriculture building at Supply and the public will be informer later of the days for distribution for the different areas. Persons now on welfare role for Old Age Assistance, Aid to Good Friday services at St. Phil-Partially Disabled and Aid to the Blind need not apply as plans already are being made to serve

Historic Homes And Gardens To Be On Schedule

Woodbine Garden Club Of Southport Is Sponsoring This Tour For First Time On Sunday, April 9

Visitors to Southport who are inclined to think of it only in terms of fishing, boating and beaches, are in for some surprises if they take the Home & Garden Tour to be held on Sunday, April 9, from 12:30 to 5:30 p. m.

Among the surprises in store are church altar linens older than the United States of America; fans that once belonged to Marie Antoinette and Empress Eugenie; an authentic Colonial fireplace with baking oven; an Indian Trail tree marking the Indian's route to the coast for their annual saltgathering; and a completely modern contemporary waterfront

The tour, being sponsored by the Woodbine Garden Club, is a concerted effort of townspeople to encourage visitors to stop, look and learn about historic old Southport rather than rushing frantically through it to the nearest fishing grounds or beach. Southport (then Smithville) was incorporated in 1792 and was an established community long before that date. It has been under five flags, and while out-of-towners are prone to call it "quaint" Southporters, themselves, know that the town is just "settled"it has been here for a long time and will be for a long time to come! In addition to the Home Orton Plantation Gardens and Garden Tour itself, there will Will Be Center Of Inter- be an outdoor Art Show by the est For Thousands Of Persons During Next Two

Southport Artists Association and a plant sale. Tickets may be purchased for the entire tour, or for individual homes or gardens.

Included in the tour are: Home Brunswick County, an 18-hole leas throughout Brunswick coun- Brown; Indian Trail tree in garden of Colonel and Mrs. Earl I.
