SHALLOTTE — Bobby Gore, Henry C. Stone cafeteria, which was beautiful in appropriate colors and other blending decor. Attractive figurines of girl and boy athletes were in a gay setting of Shallotte Pirate color.

Jan Hewett, a top athlete of the school and president of the Block S Club, was master of ceremonies. Leroy Mintz, agriculture instructor, gave the invocation.

Dr. M. H. Rourke later introduced Boone, who spoke on the effect of athletics on the modern world. Boone told the group, "America is the only place in the world where you can still do what you want to, when you want to, where you want to. I'm sure the persons I've seen get awards here tonight will continue to win them in life. All you have to do to go as high as you want to is to work hard."

"Athletics," said the ECC mentor, "have many obligations to mankind!" Using the recent space flight of Astronaut Alan Shepard as an example, Boone related, "He was almost 40 years old. Physical fitness in the U. S. is at such an ebb nowadays until our college students in the 20s are now considered on the downgrade, physically. Shepard's feat shows that it is up to the individual as to physical fitness."

Boone also gave other points on how to succeed, athletically and otherwise.

Principal Irie Leonard had earlier introduced the guests, including School Committeemen Charlie Caison, Robert Piggot, Leamon Hickman, Norman Bellamy and their wives. The other committeemen, W. T. Russ, was unable to attend.

Other guests included Dr. and Mrs. M. H. Rourke, Mrs. Leonard, Sports Editor Jiggs Powers of Whiteville, Coaches Gene Winfree and Doug Henderson, Mrs. Winfree. Leonard also recognized Leroy Mintz, James Hewett, Paul Brummett, Robert Dixon and Mayor Roney Cheers as persons who also played major parts in the Pirate sports program.

Gore, Danny Stanley Coach Winfree presented the award for being the Most Valuable Football Player on the Pirate squad to Bobby Gore, two-time All-Waccamaw AA star, as an end in 1959, a back in 1960, Danny Stanley, who played the outfield, pitched and caught, was the baseball nine's MVP. Winfree also announced that Woody Goley

Social Security Is Liberalized

In January, 1961, more liberal rules on earnings by social security beneficiaries went into effect. The familiar \$1200 figure remains the same but there the similarity ends. As before, earnings of \$1200 or less will be permitted without penalty. However, under the new rules, for each \$2 earned from \$1200 to \$1500, \$1 of benefits will be withheld. For over \$1 of earnings above \$1500, \$1 of benefits will be withheld. Family benefits are all payments to the beneficiary and his family based on the beneficiary's social security record.

There will still be no loss of benefits in any month in which neither wages of \$100 are earned nor substantial services in self-employment rendered. Also no benefits will be withheld for any month the beneficiary is age 72 or over.

The earnings of a dependent or survivor of the beneficiary affect only that person's own benefits. All wages and net earnings from self-employment must be included in computing earnings on which to base deductions. Remember, however, investment income, savings, and pensions are not counted.

For further information about earnings after retirement, write your social security office at 14 S. 16th St., Wilmington, N. C.

Veterans Should Check Records

Veterans who have been awarded a pension by the Veterans Administration for non-service connected disabilities and have not received their checks due March 1, should check to see if their annual income questionnaires has been sent in. Crawford L. Rourke, Brunswick County Veterans Service Officer, said this week.

The County Service Officer said all veterans receiving a pension for non-service connected disabilities are required by the Veterans Administration to report their annual income at the close of the calendar year. That if the income report is not received, their check will be stopped.

Rourke said that a report of income is not required of those veterans and widows receiving compensation for service-connected disabilities or death.
