

THE BODY OF BILLY SEGUR, wrapped in blanket, is lifted aboard boat at Lake Waccamaw following recovery at 8 a. m. Tuesday by members of the Lake Waccamaw Rescue Squad assisted by cooperating Chadbourne unit and state officials. Billy drowned late Monday while he and his two sisters were floating on inner tubes.—(Photo by Elgie Clemmons.)

Body Of Drowned Youth Found In Lake Tuesday

The body of Billy Segur was found with his sister, Janet, 14, recovered from Lake Waccamaw and his brother, Herbert, 9, at 8 a. m. Tuesday about 300 yards off shore in the southeast section of the lake near the proposed site of the Riegel club-house.

The body was taken to the 11-year-old native of Temperance, Michigan, drowned Monday about 7 p. m. while swimming

together with innertubes when Billy drifted farther out than she thought was safe. She said she began swimming toward him and, while she had turned her head momentarily, and looked again, Billy apparently had tumbled from the inner tube he was riding. She said he came up and reached for the tube but it was gone. He went back under then, she said. Then she went ashore and called for help. It is understood that he could not swim.

The children were guests of Mr. and Mrs. R. I. Denton who are staying at the Seventh Day Adventist conference grounds near Bolton.

The recovery of the body was effected by the Lake Waccamaw Rescue Squad in cooperation with the Chadbourne Rescue Squad and personnel of the Wildlife Resources commission and the State Park Service. Rescue workers abandoned the search at 9:45 p. m. Monday but were back on the job at 5 a. m. Tuesday.

Wm. S. (Bill) Edmunds, captain of the Lake Waccamaw Rescue Squad, said the body came to the surface in five feet of water about 50 feet from where the youth went down Monday.

It was reported that a northeast wind was blowing at the time of the drowning and this may have accounted for the youth drifting beyond reach of the others.

Edmunds said this was the first drowning at the lake in the last five years and the third since the rescue squad was organized.

Denton asked that all who had a part of locating the body of the drowned youth are extended appreciation for their prompt response and untiring efforts in the successful recovery.

Young Segur was a student at Winter Haven Junior Academy at Freeland. He formerly resided in Temperance, Mich.

Final rites will be held Friday at 2 p. m. at McKenzie's chapel in Whiteville by Elder Obed Klein, with interment in Lake Waccamaw Cemetery.

Survivors include his father, Hiram Segur of Temperance, Mich.; five brothers, Frederick of Temperance, John of Toledo, Ohio, Edward of Ottawa Lake, Mich., Harold of Ft. Knox, Ky. and Herbert Segur, also of Free-

Peanut Crop

Reports from producers as of August 1 indicate a North Carolina peanut crop of 316,800,000 pounds, according to the North Carolina Crop Reporting Service.

Such a turnout would be less than on percent smaller than the 318,560,000 pounds harvested last year but it would be 10 percent above the 1950-59 ten-year average production.

Growers are expected to harvest the crop from 176,000 acres, the same as for last year. Individual farm acreage allotments are virtually unchanged from those of 1960.
