

Bears, Eagles Play Thursday

ASH—Waccamaw's Eagle footballers will play host to their Brunswick County rival in the Border Belt Conference—Bolivia's Bears—here, Thursday at 4 p. m.

Coach Tommy Shutt said the game had been moved up a day, from the original Friday date, so that some of the Eagle players could accompany other Waccamaw High School students to the State Fair in Raleigh on Friday.

Shutt said he expected only one change in the probable starting lineup he has been using, Mackie FormyDuval, a regular starting guard, has been shifted to fullback in place of Colin Kelly, who has had some scholastic difficulty.

Earl Smith, a 175-pound freshman, has replaced FormyDuval in the forward wall.

Waccamaw will not only be trying to stay ahead of Bolivia in BBC standings, but will also be trying to avenge a 24-19 non-conference win the Bears racked up over them, at Bolivia, just prior to the opening of the conference slate. Bolivia won that game in the final half-minute.

The Eagles are 7th in the 10-team loop with a 2-4 mark; Bolivia is 8th with 1-5.

FRIDAY GAMES

Chadbourne at Shalotte (8).
Bladenboro at Elizabethtown (8).
Loris, S. C. at Whiteville (8).
Stedman at Tabor City (8).

Smith Leads Rebel Win Over Waccamaw

ASH—Zeb Smith, Maxton Rebel halfback, tallied three TDs and a pair of extra points here, Friday, for 20 points as he led his mates to a 27-0 win over Waccamaw's Eagles.

Waccamaw drove inside the Rebel 6-yard line four times but couldn't score. Bob Maynard had Maxton's other TD. Vern and Ronald Hughes and Mackie FormyDuval played well for Waccamaw.

Shalotte Ties Massey Hillers

MASSEY HILL—Tough luck continued to haunt Coach Gene Winfree's Shalotte Pirates here, Friday night, as they twice led, but had to settle with Massey Hill's Pirates for a 12-12 gridiron tie.

The Brunswick County eleven led by 6-0 and 12-6 during the clash, but each time Coach Tommy Lewis' Hillers came through with thrilling plays to knot the count.

MH's Dicky Sports intercepted a Shalotte pass at his own 20 and raced 80 yards to paydirt in the final three minutes to give the locals a 12-12 tie after Shalotte had gone ahead, 12-6, on a 28-yard pass from Quarterback Bobby Hubbard to Fullback Howard Benton.

Winfree's boys, now 0-5-1 for the season, tallied first in the 2nd quarter when Danny Stanley ran 9 yards to paydirt. But, with less than a minute left in the first half, a pass-lateral play involving Quarterback Roy Teague and Sports gave MH a 6-6 halftime tie, with Teague going across on the 63-yard play.

Warriors Beat Bolivia, 33-13

CLARKTON—Coach Harold Ingram's Clarkton Warriors continued to show power-plus and headed in the direction of their first Border Belt Conference grid title here, Friday night, as they pummeled Bolivia's Bears, 33-13.

It was Homecoming at Clarkton High and the lop-sided Brave triumph, plus the crowning of pretty Aubrey Lewis as Homecoming Queen at the halftime show, highlighted the big day for Warriors and old grads. The win was Clarkton's 6th straight without loss in BBC play.

Quarterback W. C. Daniels, always a pace-setter in the Ingram team's game, did it again against Bolivia. He scored twice, passed for another TD, and ran across two PATs.

A blocked punt and recovery in the Bear end-zone by Jerry Hall brought Clarkton's first TD early in the game. Daniels swept end for the PAT, his 16th of the season. A poor punt by Bolivia's David Cook went out of bounds shortly afterward at the BHS 28 and Daniels scored from 6 yards out after Johnny Hall had gained to the 14. Dick Miller had gone to the 5 and Hall had been stopped at the 6. Hall added the PAT on a run.

Daniels ran 11 yards for another tally and Clarkton led, 20-0 at the quarter. The Warrior star then turned to the air as he hit End Conley McEwen with a 46-yard scoring pass and then Daniels ran the PAT. Johnny Hall ran 14 yards for the final Clark TD.

DISEASE, PESTS AND FIRES are chief enemies of southern forests and the battle to bring them under control is a never-ending task. Foresters shown are studying a fungus cut from a Columbus county tree. They are, left to right, Selby Hawk, Leonard Killian and Rodney McElwee.—(Photo by Elgie Clemmons.)

Forester Rhyne Moves Up, Killian New Director

District Forester T. S. (Tom) Rhyne, who served Columbus and adjoining counties for over 10 years helping to protect and propagate trees, has been transferred to the Raleigh office of the N. C. Forest Service as a

regional forester. Rhyne's successor at the Forest Service office on the Chadbourne road is Leonard A. Killian who was formerly stationed at Lexington where he was engaged in watershed activities. He is a

native of Norlina and a graduate of N. C. State college. There are two other additions to the office who came here just recently for duty with the Service. One is Rodney M. McElwee,

Assistant District Forester, who was stationed previously at Fayetteville. McElwee was born and reared at Elkins, W. Va. and is a graduate of West Virginia University. Secretary of the Army Stahr was president of McElwee's alma mater prior to being selected for the top Army post.

The other is J. Selby Hawk, a service forester, native of Georgia and graduate of the University of Georgia. Hawk was formerly stationed at Lincoln.

Firewise, this is the beginning of the busiest season of the year for Forest Service people. Last year the district had over 800 fires and some 200 of them occurred during the fall months. The late winter months and early spring, however, present the most hazards, but they do occur throughout the year and all because of the carelessness of people. The greatest single source? Brush burning.

District Forester Killian says 99 percent of forest fires are started by humans with lightning accounting for not over one percent.

Right now the Service is getting ready to launch the annual educational program among schools of the district. One or more visits will be made during the session to every school in the district making talks, showing movies and slides, and distributing literature on the care and preservation of trees. In fact, the service tries to appear before any group anywhere in the interest of educating people on the importance to the economy of trees.

As an example of the dollar value to growers, just a few years back timber on the stump was going at four to five dollars per thousand. Today it is in the \$20-\$30 bracket, and the demand continues good.

4-H Club News

By JAMES E. GOFF
Assistant County Agricultural Agent

The boys and girls of the Grissetown and outer Shalotte area met on October 12 at the home of Mrs. Paul Holden for the purpose of organizing a community 4-H Club. There were 4 boys and 6 girls present for the meeting. They were very enthusiastic about the club. Officers for the coming year were elected. They then suggested cleaning out the packhouse at the Holden's to use as a meeting place. Mrs. Holden told them it would be alright. They plan to meet on October 19 at 3:30 p. m., to begin cleaning up the packhouse. We hope their club will be a success.

Don't forget about the County 4-H Achievement Day Program on November 14 at 7:00 p. m., at the County Office Building in Supply.

cludes the counties of Columbus, Brunswick, Bladen, Robeson, Pender and New Hanover in the care and growing of trees and with all but New Hanover in fire fighting. New Hanover is not a member of the state fire fighting system.

Forester Killian said even though his crew is on a full schedule, "We welcome all of the additional requests we can get for assistance in perpetuating healthy forests."

The 1960 output of newsprint—the paper upon which newspapers are printed—totaled 1,064,279 tons in 15 Southern states. This was more than half the national total of 2,003,845 tons.

Take the "scare" out of your financial future

Don't let your future be a trick or treat proposition! Chase those money spooks away by having a savings account at Waccamaw.

4 BIG DIVIDENDS PLUS 3% INTEREST

- 1. No Waiting Period** Your savings at Waccamaw starts earning immediately.
- 2. 30 Bonus Days out of Every 90** Deposits made by the 10th of each month earn from the 1st. Interest is paid quarterly.
- 3. Withdrawals without Penalty** You may make withdrawals at Waccamaw at anytime without loss of interest on remaining balance.
- 4. Wac-o-matic Savings Plan** With Waccamaw's popular savings plan, you simply say how much you'd like to save each month.

3% Daily Interest 3%

A--WACCAMAW BANK pays 3% interest which is as much as any financial institution that is insured by the Federal Insurance Corporation is permitted to pay.

B--WACCAMAW BANK is the only financial institution in Columbus, Bladen or Robeson Counties paying Instant Daily Interest.

C--WACCAMAW BANK is the only financial institution in Columbus, Horry, or Brunswick Counties that Pays Interest Every 90 Days.
