Friday Fishing Trip

RESULTS-Six Whiteville men, members of the staff of The News Reporter, went out Friday with Capt. Walter Lewis aboard the John Ellen and had one of the best catches made here this fall. It included 57 king mackerel, 11 bonito, and one amberjack. Left to right, the men are Willie Hammonds, E. Sellers, Jr., Hubert Stanley, James Hammonds and Earl Norris. Elgie Clemmons, sixth member of the group, is staff photographer for the Whiteville newspaper and took

County Winners | State Committee Calls New Election

New Community Elections* Scheduled To Be Held In Shallotte, Town Creek And Waccamaw Town-

The ASC State committee announced today that special ASC committee elections will be conducted in three Brunswick county communities on Friday, November 24, 1961. These three communities are Shallotte, Town Creek, and Waccamaw.

The State committee, in making

this announcement, revealed that The blue ribbon-winning ex- as a result of complaint, an infor these three communities. The Martha Rabon came up with there would be no change in the slate of nominees, and that the office representative will be present at each of the polling places. The State committee did not disclose the nature of the irregularities; however, they did state that such irregularities could have affected the results of the persons elected at each of the three com-

munities. In connection with the date of November 24 on which the special elections will be conducted, the committee announced that the county convention, for the purpose of electing the county com-A benefit supper will be served mittee, will be held on Wednescounty committee so elected will

Speaker

DR. A. C. DAWSON

State Education Leader Coming

Dr. A. C. Dawson Will Be Speaker At The Annual Banquet Here Monday

Dr. A. C. Dawson, Executive secretary of the North Carolina Education Association, will be the principal speaker at the annual Brunswick County NCEA banquet in Southport Monday evening. The meeting will be held in the Lions Club Building and will

begin at 6:30 o'clock. Prior to accepting the position with the North Carolina Educational Association Dr. Dawson served as teacher, principal and later as superintendent of schools

Dr. Dawson received his A. B. degree from Atlantic Christian College, his masters from the University of North Carolina and

Association.

Winnabow Will Get New Post Office Building

ost Office Department Announces Plans For Changing Location From Present Office

A contract has been awarded to Tom B. Rabon, Winnabow, to rent new quarters to the Post Office Department, on U.S. Highway Number 17, approximately 1.15 miles North of present quarters, to improve postal operations in Winnabow, Postmaster General J. Edward Day announced.

"We are continuing to build new post offices where they are needed," Day said, "but we are constantly re-assessing our lease construction program to determine whether present buildings can be remodeled, or whether our postal needs can better be served by moving to an existing building at a new location.

"We now have about 45,000 post office locations throughout the country, handling a volume of 65 billion pieces of mail a year. By 1970 it is expected to rise to 90 billion. It is clear, therefore, that we must redouble our efforts, not only in expanding our capacity but also in devising new postal techniques to meet the demands of our grow-

ing population."

Under the Department's Construction program Rabon will improve the building according to departmental specifications and rent it to the Department for a period of three years.

The Department's capital investment is limited substantially to postal equipment, while the building remains under private ownership, with the owner paying local real estate taxes.

"This formula," Day said,

"utilizes the resources and investment funds of private enterprise for needed postal buildings." The new quarters at Winnabow will contain 673 square feet of

Health Director **Change Indicated** In Board Action

Notification Is Given New Hanover Health Department That Part-Time Services Of Dr. C. B. Davis Insufficient

Members of the Brunswick County Board of Health have requested the New Hanover County Board of Health to terminate on December 1 the existing arrangement which provides for sharing the services of Dr. C. B. Davis on a part-time basis as Director for the Brunswick County Health Department.

The letter was written after two meetings at which consideration was given to some plan which will afford Brunswick County a greater degree of supervision which will be in keeping with the rapidly increasing demands upon the Health Depart-

Text of the letter follows:

'We, the undersigned members of the Brunswick County Board of Health, after much deliberation have come to the conclusion that Brunswick County is not receiving the required attention in the realm of the direction of the Health Department that is necessary. Under the present agreement with the New Hanover Consolidated Health Department it is provided that your director de-vote one fifth of his time to the Brunswick County Health Depart-

"This condition is no doubt created by increased demands of the health program in New Hanover County. The same growth in Brunswick County has also placed more demand for service on our health program and consequently demands more supervision by the

"In replacing a qualified sanitarian we have been made to realize that our entire organization must be revamped for the benefit of the health program.

This is to notify you that w are entertaining applications for another Health Director and request that Dr. Davis' services be terminated on December 1,

Members of the Brunswick County Board of Health include F. H. Swain, chairman; R. M.
