## The Pirate Log

TOY LANE HEWETT

Nina Dale Fulford is winner in our school in the 1962 Betty Crocker Search for the American Homemaker of Tomorrow. She achieved the highest score in the examination on homemaking knowledge and attitudes taken by senior girls, December 5. She becomes eligible now along with winners in other state high schools, for the title of State Homemaker of Tomorrow. We are all pulling for you in the State Homemaker of Tomorrow exam, Nina Dale. The best of luck!

The national winner will have her scholarship raised to \$5,000 with second, third and fourth place winners being granted scholarships of \$4,000, \$3,000 and \$2,000 respectively.

The knowledge and aptitude test, prepared and scored by Science Research Associates, Chicago, is the basis for selection of local and state winners with personal observation and interviews serving as factors in national judging.

The 1962 Betty Crocker Search reached another all-time high in enrollment with 406,132 girls in 12,874 schools participating. The program now is in its eighth year. By the end of this year, more than two and a half million girls will have participated and scholarship awards will have totaled more than three quarters of a million dollars.

The preamble that unites the Pirates is: "We the students of Shallotte High School, in order to nourish a true democratic spirit, to promote closer student-faculty co-operation, do hereby adopt and establish this constitution."

A brief summary of the constitution is: A person has an average 85, a good citizen of the school, and meets requirements of the office which he files, may run for or be appointed to that council office.

The legislature power of the student body is vested in The House of Representatives. The house consists of one representative from each homeroom. It has power to originate bills necessary and proper for the general welfare of the student body, including those pertaining to finance.

The student court consist of 7 judges, a Chief Justice, and a clerk. The judges are: Dianne Hewett, Kenneth Hewett, Sammy Russ, Gary Cheers, David Holden, and Linwood Lancaster; Chief Justice; Barbara Hewett, acting Clerk of Court. The court has the power to interpret and enforce all laws made by the legislature department of the council.

It has the power to interpret the constitution of the council, and to try all members of the student council, but can only impeach the members of the House.

Every member of the council is a marshal. They are to report to the student court any infraction of the council rules. A ticket book has been prepared for the marshals for this purpose. They contain the following information: Name, Location, Date & Time, Court Date, Marshal, and Infraction.

Students, beware!

All students desiring to vote in legislature and student body elections must register in their homeroom. This must be completed the day before the time of the election.

The polls will be open during homeroom period and voting will be done by secret ballot.

The Sweetheart Dance was a great success Saturday night. Thanks to Mrs. Greene and the lovely court.

## Camellia Show Set March 3-4

The Whiteville Camellia Society will sponsor a three-state camellia show here Saturday and Sunday, March 3-4, in co-operation with the American Camellia Society and the North Carolina component of the national association.

Announcement of the show was made this week by W. W. (Bill) DeLaLaney, general chairman, who said exhibits are anticipated from South Carolina and Virginia as well as from North Carolina.

Chairman DeLaney feels that it would not be surprising to see as many as 500 varieties on display here during the two-day event. His estimate is based on the fact that camellias come in upwards of 1,000 varieties.

The show is to be held at the Whiteville high school cafeteria where an expected 2,000 to 3,000 blooms will be on display, not to mention growing plants taken from hot houses and those grown in the natural outside state.

He explained that the show will consist of two sections, the arrangement section and the horticultural section.

Exhibitors who are planning to show flowers are requested to contact either Mrs. David Smith or Mrs. J. K. Powell, for exhibit space. Mrs. Smith and Mrs. Powell held up the arrangements committee.

The coming show was originally scheduled to be held February 24-25, but this date was found to conflict with the national exhibit which will be held in Charleston at this time. Thus, the new date was arranged so that camellia growers might attend both meetings.

The local event is being planned

under direction of Henry Wyche, president of the Whiteville society.

## High Times

By JOAN PINER

Hi, here is your reporter giving you news and happenings around S. H. S.

Basketball this past week has been quite exciting. We played Bolivia Friday night. The Dolphin girls won but the boys game was the most exciting for the Dolphins this year. The Dolphins were tied with the Bears as time ran out and they played two three-minute overtime periods before the Dolphins came out on top. In the last two seconds of the game, Frankie Rogers made a field-goal to put the Dolphins ahead by two points. The final score was 79-77.

We played Hallsboro there Tuesday night and lost a double-header. This Friday we will play Acme-Delco here. Next Tuesday we play Leland there. Be sure to help support the Dolphins.

P. T. A. meeting was held Thursday night. Before the meeting the juniors served a spaghetti supper. This was to help them on expenses for the coming Junior-Senior Banquet.

The juniors are having a cake sale on February 17 in front of the post office. They are also going to have a car wash in front of Franklin Square Park. Everyone be sure to either buy a cake or have your car washed—or both.

Your roving reporter's question this week is: "Do you celebrate Valentine Day and, if so, how—or is Valentine Day just another day to you?"

Beverly Lewis—"Just another day."

Bula Mae Wilmoth—"Just another day."

Mrs. Davis—"When I was teaching elementary school, I did; but now that I'm in high school, it's just another day."

Mary Belle Holden—"Just another day."

## 4-H Club News

By JAMES E. GOFF, Assistant County Agricultural Agent

The Community 4-H adult leaders met at the home of Mrs. Paul Holden to discuss plans and events that will be coming up in the future for 4-H clubs. Those present were: Bolivia: Mrs. Martha Knowles, Barbara Grissetton; Mrs. Paul Holden, Mrs. M. S. McKoy; Hickman Cross Roads; Mrs. Dot Bennett and Mrs. O. K. Bellamy. Martha Rabon gave her method demonstration on electricity as an example so that the adult leaders would be able to more fully understand the technique of giving such a method demonstration to their club members.

Each adult leader gave a brief report on their club activities and progress. These reports were very useful because each adult leader has a chance to exchange ideas and get information on how to solve problems they were confronted with.

The Brunswick County 4-H County Council will meet at the Agricultural Extension Service Building in Supply on Friday, February 16 at 4:00 p. m. Every Community 4-H Club is to send their president and one elected delegate to this meeting. This will give them a voice in the county 4-H program. Adult leaders are also invited to attend.
