# Leland Reaches State Play-Offs

KENANSVILLE — Coach Joe Best's Leland Tigers became the first Brunswick County basketball team ever to enter a State Class A Tournament when they downed Beaulaville, 59-54, here

## Leland Plays In Durham Thursday

DURHAM—Leland's Tigers will face Colfax in an opening round game of the State Class A Basketball Tournament here, Thursday at 7:30 p. m. The tourney is being played at Durham Senior High School. Leland won the right to play in the state A tourney, Brunswick County's first such entry, by winning District 4 honors. Colfax is the District 5 champ.

Saturday night for the District 2, Class A crown.

The Tigs are due to play Colfax, Guilford County champs and District 5 winners, in the State tourney at Durham, Thursday at 7:30 p. m. All games of the State event, which opens tonight (Wednesday), are slated at Durham Senior High School's gym.

Best's boys moved into a 10-8 edge after a quarter of play in Saturday's finals, here. The scrapping Duplin County champions kept the fat in the fire, with Leland able to lead by only 24-23 at the halfway mark.

The Brunswick Countians pulled away with a 19-7 third quarter to pace the runners-up, 43-30, at that point and then held on to win by 5 points.

Beaulaville pulled to within four points of the Tigs at one stage in the late part of the game, but couldn't catch up.

Nicky Gainey hit 20 points for the D-4 champs; Jerry Simpson had the same total for Beaulaville. Other top scorers for Leland included Bruce Jacobs with 12 points, and Dickie Burgess with 10.

# Galloway, Pirate Shotgun

By JIGGS POWERS  
SHALLOTTE — Robert Galloway, who still has a year to go in scholastic action, has been a star of Coach Doug Henderson's Shallotte Pirates basketball team for the past two seasons.

He paced the Buc to the runner-up spot in the Waccamaw Athletic Association chase the past season, with the Pirates losing to much larger Elizabethtown's champs in the finals of the WAA tourney at Chadbourn after giving their favored adversaries a good scrap.

Galloway was the top scorer in the WAA, both in total points compiled and in per-game average; even higher than any member of Elizabethtown's champion Yellow Jackets, which won over Shallotte in a tough Waccamaw tournament finale.

22-Game Average, 28 Points  
Scoring 613 points in 22 games this year, the 6-foot Galloway averaged 28 points per game!

He did this amazing job by hitting on 53.4 percent of his floor shots and by connecting on 87 of 125 free throws for the tremendous average of 75.6 percent in this department. He had a total of 263 field goals, secured by an assortment of true shots, including push, set, hook and jump. Possessing an uncanny eye for the bucket, the 165-pound junior hit from all angles.

Leading Rebounder  
Robert was not just a "shooter" for his team, either, as he quarterbacked the Pirate team and also grabbed 177 rebounds to pace the club in this department, also. Coach Henderson rates him among the best stars he's ever coached, perhaps the best all-around.

The son of Mr. and Mrs. Leon Galloway of Shallotte, Robert will be back for another year of basketball at Shallotte High in 1963 as he is but a junior this year. He just won All-Waccamaw AA honors for the second year and, by being one of two unanimous choice in coaches' balloting, was co-captain of the honor team.

cluding Landis, Mike and Danny Stanley, James Russ and Homer Lyles and they will be missed. But, with a certain "shotgun" named Robert Galloway around for another year, plus the usual good turnout of candidates at SHS annually, the former University of North Carolina track star has high hopes for another top effort when the 1963 basketball season rolls around.

## Boy Slays Big Cat Saturday

Thomas Jefferson Bryant shot and killed a bobcat near his home at Supply about 5:30 p. m. Saturday. He was drawn to the site of the bobcat by his dogs, which treed the animal.

Thomas is quoted as saying, "At first, when I reached the spot back of my home, I thought it was just a housecat the dogs had run up the tree. After waiting for half an hour trying to decide what it really was, the cat came half way down the tree. As soon as I discovered it was a bobcat I shot it."

The cat weighed seventeen pounds and was approximately two and one half feet tall.

Thomas is sixteen, a sophomore at Union High School, Shallotte, and the son of Mr. and Mrs. Otis Bryant of Supply.

## Leland Tigs Move To D2 Semi-Finals

KENANSVILLE—Nicky Gainey swished in 23 points to pace Coach Joe Best's Leland Tigers to a 63-59 victory over Deep Run in an opening round game of the District 2 Class A Basketball Tournament here, Thursday night.

The win sent Best's boys to the tourney semi-finals, Friday. The Brunswick County champions had two others in double figures besides Gainey. Dickie Burgess hit 12 markers; Frankie Jacobs 11. Willard Grady had 24 for Deep Run.

pack, had phoned a Wilmington radio station and had his phone plugged in directly to a broadcast of a State-Kentucky basketball game that was not coming in here any other way; and Southport boys had defeated Maury High, Greene County basketball champions in a game played here.

Gloria De Haven had been announced as Azalea Festival Queen (although she subsequently failed to show up) and her photo was on the front page of The Pilot for March 19, 1952. Ben McDonald of Wilmington had filed for the Democratic nomination for Lieutenant Governor declaring that he was the champion of the "interests of the little people."

All five Brunswick County High Schools planned to field baseball teams for the first time during the forthcoming season; the Shallotte High School marching band was coming to Southport on a good neighbor visit; and A. S. Knowles was heading the Red Cross fund drive in Brunswick.

Five years ago this week there was front page photo of beautiful Kathryn Hepburn, who was to be the Azalea Festival Queen that year. Excellent progress was reported in connection with plans to activate Atlantic Telephone Membership Corporation.

Southport must have taken off to a fast start in baseball that year, for in this edition there was a report that Southport had won its fourth game of the season, and that Wayne Ludlum had got his third victory.

# Leland Captures Semi-Finals Win

It gave the Tigs the right to face Beaulaville in the Saturday title round. Beaulaville whipped Midway, 71-63, in the other Friday semi-final.

Leland was sparked by Frankie Jacobs, Nicky Gainey, Dickie Burgess and Bruce Jacobs in their semi-finals win. Frankie Jacobs hit 13 points, all in the first half to pace the Tigs to a 15-10 first quarter lead; and the Brunswick County champs were still ahead, 27-21, at the half.

Nicky Gainey led the Tigers for the evening with 16 points, Dickie Burgess had 14, and Bruce Jacobs 11. The Leland club held a 41-33 three-quarter lead.

# Early Tobacco Leases Frozen

Leases Filed Prior To Time Of Announcement Of Increase In Acreage Do Not Carry Increase

Two important announcements released by R. L. Price, ASC office manager, on Monday were to the effect that tobacco leases filed prior to the time of the national increase in tobacco allotments do not carry the increase; and the increase in the allotments will go to the farm owner and not to the farmer who leases a farm. If the increase in allotment is to be transferred, another lease must be obtained and presented to the Brunswick County ASC office not later than April 1, this year.

The second announcement is directed to farmers who will not plant their allotments this year and who will not release the acreage because of rumors that a land-retirement program might be enacted for the 1962 crop. Price said that "there is no basis whatsoever for farmers to

not release their acreage in anticipation of such legislation."

Nine out of ten farms in New England have telephones—more than any other region of the nation.
