Local Legion Post Plans Activities

Bellamy-Joyner Post No. 213 of the American Legion has been making plans for the coming months. On Thursday night, April 12, the post will be sponsoring its annual Oratorical Contest. The three consolidated high schools will cooperate on April 19, the post will join with other posts in having the Bells of Liberty ring out across the Nation on Patriots' Day.

Early this summer the post has hopes of sending one boy selected by the high schools to the Annual Boys State at Shaw University, which is sponsored every year by the American Legion.

On Easter Monday Post No. 213 will again join with the consolidated Sunday schools of Southport in sponsoring the Annual Easter egg hunt.

Auto Accident Injuries

By DR. ROGER W. PRICE

Most auto insurance policies provide for Chiropractic treatment for disabilities sustained in collisions or otherwise in an automobile. Chiropractic is particularly effective in the treatment of Whip-lash and other back and neck injuries, which are often the result of an auto accident.

A "Whip-lash injury" usually results from a blow on the neck or head or from a sudden

jerk, such as would happen from having your car struck from behind. Consult your Modern Chiropractor for Whip-lash and other allied shoulder and back injuries — the doctor who has made a special study of the spine, joints, and muscles and nervous system.
