

New Trophy For Darling Track

DARLINGTON, S. C.—A new trophy, to be named "The Robert E. Colvin Trophy" was announced today by the Darlington Raceway Board of Directors. The huge trophy, weighing more than a hundred pounds will be unveiled and awarded to the Nichols Engineering Company of Highland, Ind., at a press reception in Columbia, May 2.

Governor Hollings will award the trophy, and deed-of-gift, to Ray Nichols whose Pontiac team of Indianapolis and NASCAR drivers shattered the world 24-hour stock car record over the Darlington course last December. The deed-of-gift reads that the Robert E. Colvin Trophy is to

Speed Prizes To Exceed \$110,000

CHARLOTTE — Total posted awards for the May Speed Festival at Charlotte Motor Speedway this year will be in excess of \$110,000.

Climaxing the Festival will be the annual World 600 late model auto race on Sunday, May 27. The "600" is the longest and richest race of its kind in the world.

Speedway trustee Robert N. Robinson said today that official entry blanks for the "600" and companion events have been mailed to all drivers and car owners of the National Assn. for Stock Car Auto Racing (NASCAR).

The "600" winner's share of the \$110,225 total awards will be

awarded to the sponsor of any stock car attempt on the Darlington 24-hour record that is successful.

The trophy is a Jack Tyler creation standing over four feet in height epitomizing the "Temple of Triumph" design of "daylight and dark" walnut. The centerpiece contains a specially-constructed 24-hour chronograph.

The drivers who set the record last December were Fireball Roberts, Joe Weatherly and Marvin Panch of NASCAR, Roger Ward, Paul Goldsmith and Len Sutton of Indianapolis.

The 24 hours average was 108.818 mph which shattered the Darlington mark of 101 mph set by Chevrolet in 1956 and the Indianapolis record of 106 mph set by the same cars and drivers in November.

\$24,800 plus lap prizes. The speedway is guaranteeing \$4,000 in lap awards at \$10 per lap to the leader, and is accepting sponsorship from business firms and individuals of \$25 per lap for the 400 trips around the high-banked 1 1/2-mile paved race course.

Nat included in the "600" winner's share are cash awards at stake in two 50-mile races on May 20, qualifying time trials May 23-26, a 15-mile Race of Champions and a 30-mile qualifying race on May 26, and other special events to be staged.

Automotive accessory manufacturers have posted some \$25,000 of the total awards, the claiming of which will be contingent on driver use of the various products.

NASCAR drivers will start checking in at the speedway on May 19 to prepare and test their late model sedans for the "Twin 50's" on May 20.

The World 600 starting field, restricted to the fastest 50 qualifiers this year, will be determined during four days of time trial attempts May 23-26. More than 60 entries are expected.

H. FOSTER MINTZ, CHAIRMAN
BRUNSWICK COUNTY BOARD OF ELECTIONS

I Am Running On My Record

As you know, I served as your Brunswick County Recorder's Court Judge from 1946 through 1954, a period of eight years, and I feel the knowledge gained during my service makes me more qualified to serve you for the next two years in carrying out the duties of that office.

Although I had a Bachelor's Degree in Law before I was elected judge in 1946, I found that there is a great deal of knowledge to be gained through self-experience that cannot be gained from books.

I want to thank my many friends throughout the county for the support given me in the past and for the confidence expressed by the many requests for me to run at this time, and if nominated and elected I shall continue to render fair and impartial verdicts in all cases which come before me.

I want to make myself clear that I am not running in this race under the direction or influence of any political faction or group. I am running on my own upon request of my friends throughout the county, and the only thing that I can promise is to carry out the solemn duties of my office to the best of my ability.

Willie Joe McLamb
