### Commence Discussions For Art Festival Here In June

The second annual Arts Festival, sponsored by the Southport Art Association, will be held in Franklin Park on June 29-30 and July 1. Last year the works of approximately 50 artists were shown in the City Hall and Marineology Building in lovely Franklin Park. The Festival was attended by large and enthusiastic crowds who picnicked under the trees, discussed the art show, and enjoyed the entertainment provided

by Southport's teenagers, Ben MacDonald, and a wild poet named Longfellow. Many of the visitors from out of town commented that the Festival was far more enjoyable than any similar event held in the state. Dr. N. M. Hornstein, president of the Art Association, states that he hopes to include some local musicians and the Choral Society in this year's Festival, so that another of the arts might be represented.

The Festival Committees met Wednesday night at the home of Dr. and Mrs. Hornstein. Mrs. Robert Willing is in charge of contacting all artists and dignitaries for the Festival. Mrs. Betty Smith is Awards Chairman. Robert Potter is School Art Chairman. The Hanging Committee includes Joseph Rideout, Dr. Hornstein, Lt. Darryl Smith, and Mrs. Susan King. Lt. Smith will be the Sales Agent again this year. Publicity and public relations co-chairmen are Mrs. Hornstein and Mrs. King.

The entertainment this year is again in the hands of Southport's teenagers. Last year a good job was done by Doshier Ruark, Susan King, and Sue Jayne Sackett. This year, co-chairmen are Miss Martha Mallison, Miss Ann Cammack and Miss Susan King. Anyone interested in helping with the entertainment is asked to contact Martha Mallison.

Another meeting will be held on May 23 at the home of Dr. Hornstein, at 8:30 p. m. It is hoped that interested church groups and civic organizations will be represented at this meeting, as the cooperation received last year contributed largely to the Festival's success.

The Queens being crowned at this event were Misses Lynn Ruark and Leonne Arntsen. Kathryn Carson and Diane Carrier received their scepters, indicating they have advanced one step beyond Queen. Each girl was given an opportunity to tell something she had learned. Those giving the charges were Mesdames O. W. Carrier, F. M. Burdette, H. A. Livingston and Roy Arntsen.

Mrs. Susie Carson, G. A. director, also recognized the other Youth Organizations of the W. M. S. at this service. These include Sunbeams, World-Friends and Young Woman's Auxiliary.

The ceremony took place against a background of yellow and white flowers flanked on each side by yellow tapers. Above this was placed a large gold star against a green background, representing the 5-Star Ideals of Girl's Auxiliary. Mrs. Mary Hewett, one of the counselors, was responsible for the decorating.

Following this, the Y. W. A. S., with the assistance of their counselor, Mrs. Owens, gave a reception at the pastorium to which all were invited.

### H. MERCER JOHNSON Candidate for Judge of Recorder's Court

I believe that our Recorder's Court is one of the necessary functions of our government and that it should be conducted on a fair and impartial basis. I believe that a person is innocent until by the greater weight of evidence he is proven guilty. If nominated and elected to serve in this office it will be my desire and ambition to conduct a fair and honorable court to give each person an equal opportunity.

I deeply appreciate the support that has come from friends in every section where I have visited, and I will be grateful to all of you who will give me your support in my candidacy for the Democratic nomination for this office.

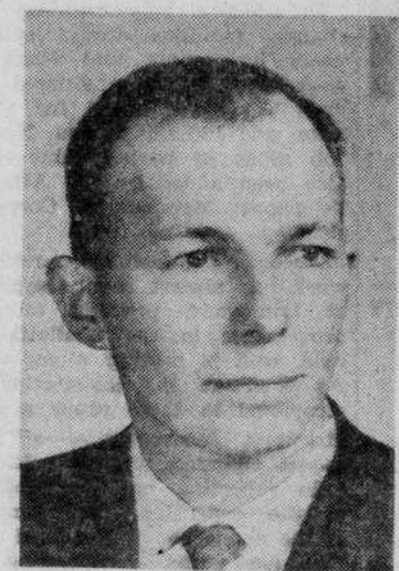

### For County Commissioner

Although I am the only candidate for the Democratic Nomination for County Commissioner from Waccamaw Township, I will need your vote and support if I am to be one of our nominees in the November election.

If nominated and elected I promise to do my best to carry out the duties of this office in a business like manner and in fairness to all.

### FOR BOARD OF EDUCATION

As one of my qualifications for member of the Board of Education I offer my record of interest and active service in the operation of Shallotte High School. I have served for one year as President of the P.T.A.; served as a member of the Executive Committee of the P.T.A.; and I have four children now attending Shallotte High School. I consider nothing to be more important in our county than to use every available resource to make available for our children the standard of education that will be second to none in any rural North Carolina county.

God is the silent partner of all great enterprises—Business is based on Character; Character is based on Christ—Other books were given for our information; the Bible for our transformation—Daniel Webster was asked what he considered his greatest thought. He replied, "The greatest thought I have ever had is my individual responsibility to God!"—The man of the hour didn't get where he is in a minute.
