

Colorful Mayday Celebration Held At Southport High School

A large crowd of parents and interested spectators gathered on Friday afternoon to enjoy a beautiful May Day program presented by the students of the Southport School.

Seating arrangements were made in front of the building overlooking the beautifully decorated lawn and entrance stoop and steps, all giving the effect of an amphitheatre. The fences enclosing the lawn were intertwined with greenery and artificial multi-colored carnations. The walks on each side of the steps were marked with arches, matching the fences.

The entrance steps and stoop were the beautiful setting for the May Queen and her court. Trees and ferns, enhanced with two large white baskets of white and yellow summer flowers formed the background for the enthroned queen and her attendants, seated around her on the white-covered

steps. Sally Ward, the queen, dressed in white and carrying a nosegay of white roses accented with carnations and gladioli buds, looked lovely as she was crowned by Suzan Key, maid-of-honor, who wore a blue silk chiffon gown complemented with a picture hat and an arm bouquet of gladioli and roses.

The other attendants wore beautiful gowns in the various pastel colors with matching picture hats and carried arm bouquets of gladioli and roses.

The various classes presented dances, using the theme "Music Around the World." The dancers were clad in characteristic apparel depicting the country they represented. There were Germans, Mexicans, Hungarians, Swedish, Hawaiian, Czech, Dutch, Scotchish, French, American, Irish, English, and Japanese. Mrs. Minnette Lingle, the di-

Your Aching Back!

By DR. ROGER W. PRICE

The great American hobby of planting seeds and wandering what will come up between the weeds has "doubled up" more enthusiasts in one season than a one-room efficiency apartment.

Gardening does afford healthful, unflagging exercise if the gardener knows what his joints are for and uses them properly in the various

chores. Otherwise, the bending, twisting and pulling involved can make a big man weep from back and muscle pains. Your Modern Doctor of Chiropractic can readily eliminate the kinks and relax your sore and tense muscles with his specific adjustments and smoothing manipulations. You can depend on the Modern Chiropractor — the doctor who has specialized in the study of the muscles, spine and nerves.

Beware of Useless Rheumatic Cures.

Our ancestors believed that, if they turned their shoes upside down by the bed before retiring it would cure rheumatism.

Of course you know better. But, many useless and potentially harmful remedies and gadgets are still being sold to the thoughtless. Ask our opinion before buying any remedy, particularly those sold by mail or peddlers. We sincerely believe anyone with rheumatic pains should depend on their physician for advice on what to take.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

For Judge of Recorder's Court

I believe that one of the most progressive steps we can take to insure greater highway safety in Brunswick county is to establish a Drivers' Clinic where persons convicted of traffic violations can attend regular classes over a period of several months.

I think this will be especially effective with youthful violators, and it will help correct their troubles before it becomes a dangerous habit. I know there is such a clinic now going on in New Hanover county, and if nominated and elected I plan to work with the State Highway Patrol to see if we cannot do the same thing in Brunswick.
