are moving.

Officers of the Holden Beach Realty and Development Company are B. Frank Boyd, Cecil Horne and Dr. W. K. Rogers, all of Loris, S. C., and Clifton Stephens, of Clarendon. The general manager, Drew Griffin, is now residing at Holden Beach. He is a former South Carolinian, and was an outstanding attorney and legislator there.

These men seem to have the formula for a good community. Surely, even in Brunswick county where real estate developments and subdivisions are old-hat by now, this one merits close watching, for it appears to be well on its way to success.

Good News For Golfers — BOILING SPRING LAKES CLUB HOUSE

GOLF COURSE — We are pleased to report that the grass is growing on the greens and fairways of the first nine at Boiling Spring Lakes and the course should be ready for play within the next few weeks. An irrigation system will help to speed this possibility. Good progress is being made on the Club House, and we still plan to hold Open House on Labor Day weekend.

The latest addition to the all-round facilities at Boiling Spring Lakes is the new, brick motel that has been completed and which is now open. We are particularly proud of this facility, for it will afford accommodations for fishermen, golfers and property owners who wish to come down for a visit and a chance to look over their lot. It will provide a base of operations for many of these people when they begin construction of their own home.

OTHER PROJECTS — There are many other projects under consideration. One of these is a beginning of the Shopping Center, with the object of being able to provide some of the normal merchandising needs of our permanent residents and our visitors. Work on this project is now underway.

PICNIC AREA — In the vicinity of the Fabulous Boiling Spring we have cleared out and have beautified a picnic and recreation area that is attracting large numbers of visitors. We have provided picnic tables, and barbecue ovens are available for those who wish to cook out. Best of all, however, is the opportunity to have a bountiful supply of cool, pure water for drinking or for cooking. This comes from the Big Spring, whose reputation goes back to the days when Indians inhabited this region. If you have not made use of these facilities, you are invited to do so.

BRING YOUR FRIENDS — We are proud of Boiling Spring Lakes, and we want others to see what we are doing. When you have visitors from other sections of the State, we invite you to take them for a drive over our winding roads and across the big dam. Visit the Big Spring. We think that this may be a highlight of a visit to Brunswick County this summer. Let's let the world know what is going on here in Brunswick County.
