In a double ring ceremony solemnized July 1 in the First Baptist Church of Shallotte, Miss Mary Zillah Bennett and John David Dawson pledged their marriage vows.

Music was presented by Mrs. Early Smith, organist, and Miss Dencie Brown, soloist, of Lillington.

The bride, given in marriage by her father, wore a gown designed and made by her sister, Mrs. Bryan R. Smith. It was made of alencon lace over white taffeta with portrait neckline, long point-

Mrs. Bryan R. Smith, sister of the bride, was matron of honor. She wore a street length gown of blue organza over blue taffeta with portrait neckline and full skirt. Her headpiece was of blue net, and she carried a nosegay of white carnations touched with blue.

The bridesmaids were Betty Ann Davis of Lucama, Nancy Ludlum and Carolyn Forney Duval

### Modern vs. Antique

By DR. ROGER W. PRICE

Modern Chiropractic treatment is one unique procedure by which nerve interference is relieved by various methods. There is no pounding, back breaking, jumping up and down or any of the various contortions supposedly involved in the chiropractic treatment of years ago.

The Modern Chiropractic treatment in many cases gives an almost immediate sensation of relaxation and relief from pain. The Modern Chiropractic treatment table is an ingenious arrangement of cushions and springs to afford maximum relaxation to the patient. Scientific Chiropractic treatment involves no pain to the patient whatever, but rather the patient usually feels much less tension and ease from pain. Your Modern up-to-date Chiropractor specializes in conditions of the nerves, bones, joints and muscles.
