#### Asheboro Boy Scout Troop In Camp At Beach

Asheboro Troop 324 held a joint camping trip with the Southport Boy Scouts at Long Beach over the weekend.

During the three days of camping on the beach, the Asheboro boys participated in water scouting under the direction of the

On Saturday night the scouts enjoyed camp-fire activities after having a meal of clam chowder. The boys caught the clams that morning and cooked the meal.

The Asheboro Boy Scouts were under the direction of Scoutmaster Allen Reavis and Assistants Ike Robinson and Nelson Simpson. Robinson is a native of Southport and played a major part in having the up-state scouts come to Brunswick county.

Scoutmaster Reavis said this was the troop's first beach campout. "We promised the boys we would do something extra special if they worked real hard this year", he said. "When they did, Ike, an old Southport boy, suggested that we visit Long Beach, and here we are."

The Asheboro Boy Scouts, some 36 strong, arrived Friday morning to begin practicing scouting in a different atmosphere, Scoutmaster Reavis said.

They set up 20 colorful wall tents and five flyers covering their eating tables on the beach.

The Southport troop, under Scoutmaster George Parker and Assistant Carl Watkins, established their camp site behind the vis-

The two troops participated in claiming and other recreational activities Saturday morning before visiting various historical sites in the county that afternoon.

The camp fire get-together was held Saturday night and was attended by several parents of Asheboro boys who made the trip but stayed in motels.

On Sunday, Rev. Horace Hawes, pastor of the Oak Island Baptist Mission, conducted church services on the beach for the boys. After other scouting activities Sunday morning the boys returned to Asheboro that after-

### Planning Board Makes Progress

Board, working with representatives of the Division of Community Planning, has completed a proposed revision of street names for the town.

The proposed new system of names, to be presented to the Town Board of Commissioners for approval, is based on an eastwest numbering system. Only one street in Long Beach would retain its present name.

Ocean Highway, cutting almost through the center of Oak Island, would remain the same. Ocean Drive, along the strand, would become Beach Drive. The second-row street, Shallotte Avenue. would become Dolphin Drive and the third street from the ocean would be Pelican Drive.

Burlington Street, along the Intra-Coastal Waterway, would be numbered east and west from what at present is Linconton Street. Under the new system, the dividing street, Linconton, would be called Middleton Drive.

# Paratroopers Hit **Bald Head Island**

ped men on Bald Head Island in the second phase of an operational problem in Brunswick

The Special Warfare Army troops, all members of Company B of the Special Forces Group at Fort Bragg, jumped from USF C-46's shortly after daybreak Sunday. Two drops were made dur-

ing the exercises Sunday and about 29 men jumped each time.
The first of the jumps came about 7 a. m. Sunday. The plane, coming in low, made one pass over Bald Head Island and dropped two men on the second trip over the sub-tropical area. The pair fell into the edge of the water off the ocean side of the island. One was picked up by a According to reports, the three safety toat waiting in the surf

Five paratroops dropped on the third flight over the island, all in a straight line atop a sand dune at the water's edge. Seven men dropped into the chill air on the fourth swoop, on the same level, followed by others in additional flights until 29 men were on the ground.

The pilot then raced back across the sand at treetop level check his handiwork and headed for Fort Bragg for the second load.

The soldiers stayed on Bald Head Island until Wednesday for survival training, then "infiltrated" to a target in the Southportto-Yaupon Beach area. The exact location was not made public. The group will return to the Fayetteville base at the end of the

Some 40 soldiers comprising jump units of Company D of the same group were here on a similar problem last week in the first phase of the maneuvers.

That unit, arriving by boat after being transported by trucks from Fort Bragg to Southport 'captured' a target area inside Sunny Point Army Terminal last Wednesday night after paddling up the Cape Fear River in rubber

Other units are scheduled to take part in the overall maneuver but information on just what the future problems will be has not

## Beer-Wine Vote At Long Beach

Some 130 legal residents of Long Beach are registered to vote in a beer and wine election on Tuesday, according to registrar Mrs. Charline W. Johnson.

The election was called by the Long Beach Board of Commissioners after receipt of a petition signed by thirty-one percent of the legal residents who voted in the last town election.

The ballot will offer voters a choice between beer and wine sold on premises at Class A motels, hotels and restaurants and off premises at other legally licensed businesses, or no beer and wine at all.

At present, no beer or wine is sold on all of Oak Island, consisting of Long Beach, Yaupon Beach and Caswell Beach. An ABC Continued On Page Four

In addition to her work with the Daughters of America, Mrs. Gilbert is active in Southport civic work. She is the superintendent of the Sunday School of the Presbyterian church president of the Live Oak Garden Clubs, associate matron of the Eastern Star and a member of the Women of the Presbyterian Church. She is a past president of the Southport P. T. A. Mrs. Gilbert, a native of South-

port, is married to a local funeral director. They have one son, Thomas, 14.

Mrs. Gwendly Dixon, Mrs. Lena Fisher and Mrs. Deloris Fortiscue attended the state meeting in Raleigh with Mrs. Gilbert. They are all members of the local

### **Board Rezones** At Long Beach

The Long Beach Town Commission rezoned an area of residential property to commercial use at the regular August meeting on Saturday.

The second-row property adjacent to the Long Beach Pier was rezoned at the request of owner Gene Thorn of Fayetteville. Thorn presented a letter from the adjacent property owner on the eastern side concurring with his request.

The Long Beach Pier property is owned by Harvey Ratcliff of Fayetteville. A section of Ratcliff's property near the pier was rezoned to commercial use at the April board meeting, for use as a transient trailer camp. At the May meeting of the

board, attention was called to the

fact that mobile homes of the

house trailer type had been loc-
