

Articles For Heritage Show

DISPLAY—Mrs. Judy White displays heirlooms which will be shown at the Heritage Show in the Southport Community Building Saturday and Sunday as a feature of the Fourth of July celebration here.

Daughters Of America Hold Special Night

Councilor night for members and officers of Friendship Council Number 18, Daughters of America, was held Tuesday night in the Chapter Hall in Southport.

The assembly room was decorated with ivy in front of each station, with red and blue candles on each station and red, white and blue flags in the windows, carrying out their colors of red, white and blue.

The flags bearers, Mrs. Pearl Aldridge and Mrs. Gwendolyn Dixon, lighted the candles, after the lights were turned out.

After America was sung, the councilor, Mrs. Evelyn Doshier, led in a prayer of thanks for the work that has been accomplished during the past year and for the lives of members that have died during the past twelve months.

Mrs. Thelma Fisher was the only officer who had not missed a meeting night during the past year and she was presented a special gift from the councilor.

All officers who had served with the outgoing councilor were asked to stand, and were presented with a gift from the councilor in appreciation for their cooperation during the year.

Mrs. Ellen Watts gave a summary of the work accomplished. The councilor was presented with a gift from the members of the lodge, one from Mrs. Sally Holden and one from Mrs. Watts for the work she had done as councilor.

Mrs. Laura Roughton is councilor for the coming year. The keys and rituals were turned over to her by Mrs. Doshier while wishing her the best of luck for the new year.

Delicious refreshments were served by Mrs. Watts and Mrs. Catherine St. George.

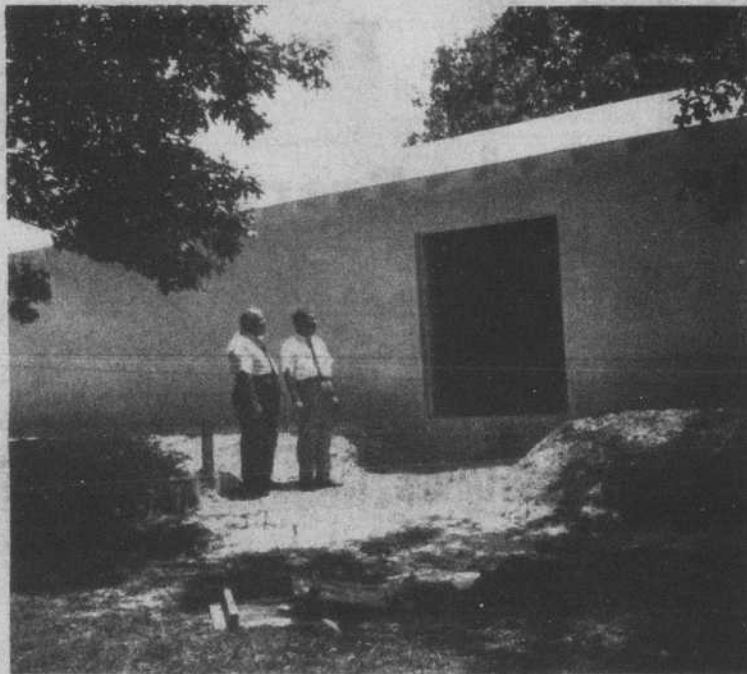

Brief Bits Of NEWS

BENEFIT SUPPER
The Ocean View Methodist Church will have a chicken supper on Friday night from 5:30 to 7:30 o'clock at the church.

CLOSED FOR HOLIDAY
The Selective Service Board will be closed July 1 through July 5 and will reopen on July 6 on regular schedule.

ON DEAN'S LIST
Clara Ward of Longwood was named to the Dean's List at Campbell College for the spring semester.

ATTENDS WORKSHOP
Roy A. Stevens, director of Brunswick County Resources Development Commission, attended a special workshop on problems involved in providing utilities for industry, Thursday at East Carolina College, Greenville. Specific topics discussed dealt with the nature and problems of providing water, electricity, gas and telephone service for industry.

For Hospital Storage

BUILDING—The above building is the new storage facility for the 200-bed Civil Defense Emergency Hospital located on the Shallotte High School campus. A. S. Knowles, County Civil Defense Director (left) is inspecting the building with Parley P. Forny-Duval, member of the boards county commissioners.

Hospital Unit In Storage Facility

The Brunswick County Civil Defense Agency's 200-bed Emergency Hospital now has permanent storage space, reports A. S. Knowles, Civil Defense Director.

The storage building is located on the Shallotte School Campus behind the teacherage and adjacent to the football field. The building is 28 feet x 45 feet and is of masonry construction.

The building was begun last summer. At that time the footing was put in and blocks laid to the top of the floor. During late summer the concrete floor was put in. David Carmichael of Shallotte and others are commended for their free-gratias labor contribution in getting the building well underway.

The County Commissioners have recently sponsored the completion of the building and the 200-bed Emergency Hospital was moved into the new storage building last Thursday. We are indebted to Chandler Rourke and the Shallotte Hardware for their cooperation in helping to store the Hospital facilities while permanent storage was being planned and built.

The 200-bed Emergency Hospital is loaned to the Brunswick County Civil Defense Agency for use in either a Natural or Man-Made Disaster. The facilities will be brought up to a 30 day operational capacity. This will include medicine and films for X-Ray.

The field hospital is complete in every respect. It is new—that is never been used. It has a 15KW Emergency Generator for complete lighting. It has one X-Ray Machine and a Generator for its use only. It is equipped

Detection Of T. B. Scheduled Through School

The TIME test, a tuberculin skin test, will be administered by the Brunswick County Health Department to students in the first and eighth grades during the next school year as the result of funds provided by the newly organized SENC Tuberculosis Association.

On April 1 the Brunswick County Tuberculosis Association, which had been administered by the Southport Woman's Club since it was organized, became a part of the regional tuberculosis organization which is made up of Bladen, Columbus, New Hanover, Pender, Onslow and Brunswick counties. At that time a request was made of the new organization for the skin test which the Brunswick County Health Department thought was badly needed in this county. The case detection testing will cost approximately \$300.

In addition, \$80, was allocated for patient service, requests for which will be made through the Health Department.

Two nurses from the Brunswick County Health Department will attend a training program at Blue Ridge Assembly July 11-14 as the result of funds allocated at the same time. They are Mrs. Ruth Harrington and Miss Grey Moore.

Mrs. Ed Harrelson serves as a member of the committee which allocates the funds which have been budgeted and serves as Brunswick's representative of the Executive Committee. Mrs. James M. Harper, Jr. serves as the contact person for approving requests for patient services. Other members of the board of directors from Brunswick county are Mrs. A. P. Henry, Jr., Mrs. Elizabeth Brunson and Douglas Hawes.

Sky Divers To Perform Here

One of the main attractions during the Fourth of July weekend here will be the appearance of the "Sky Divers," who will perform Saturday afternoon at 4 o'clock at Taylor Field.

Flying in a Fairchild 404 plane, the three divers, Joe Jordan, Jack Lancaster, and Rudy Allen, will do a number of eye-catching stunts.

One of the divers will jump from 5000 ft., free falling 20 seconds before opening his parachute. The other two divers will jump from a height of 1200 ft., free falling 60 seconds, and passing red and white smoke grenades back and forth while falling, giving a simulated peppermint appearance to the act.

Pilot of the plane is Tom Watson.

This show is another attraction that is being brought in by the Southport Jaycees. The wind and weather will be a determining factor in this event, and should there be adverse conditions a last-minute cancellation will be made in the interest of safety.

The sky show is expected to keep a big crowd in town following the music concert at 3 o'clock at Franklin Square by the Marine Band and Chorus.

Lost Is Found Before Missed

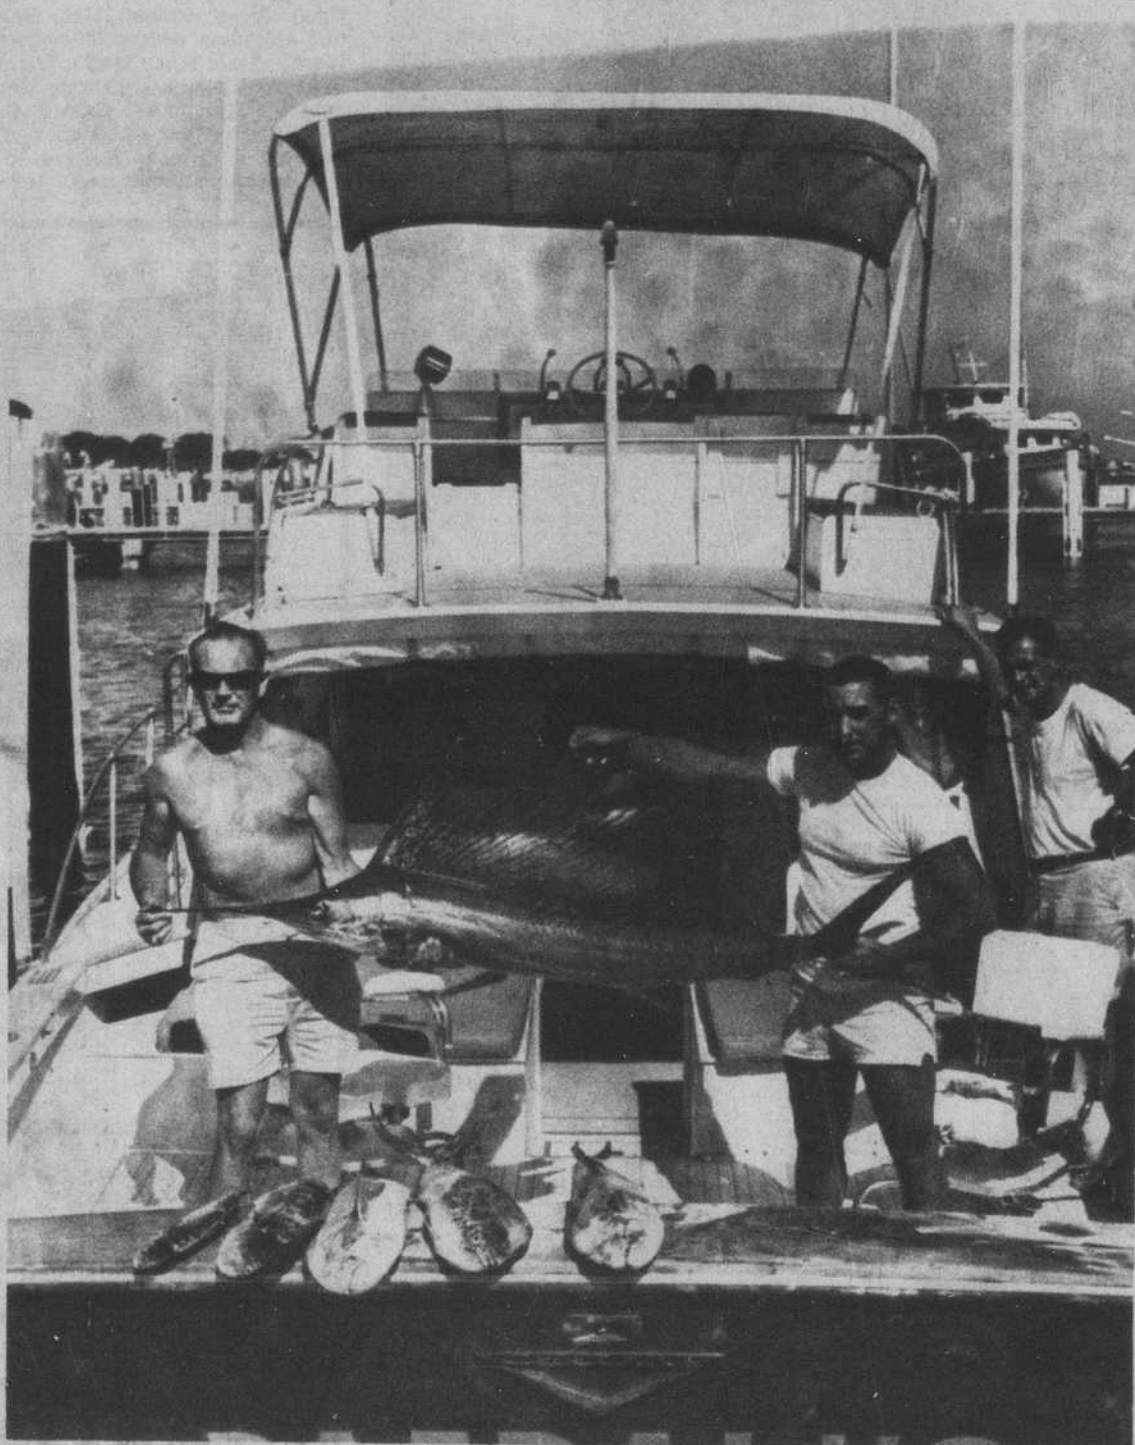

Last Friday afternoon Wendell Brown of Lester lost his pocketbook while visiting Brunswick Town and at 6:15 he reported his loss to the police department at Southport. He was a little late.

At 5:35 the local police had been advised by Arthur C. Mendell of Greensboro that he had found a pocketbook at Brunswick Town. He had turned it in, so the wallet lost by Brown was waiting for him before he had even reported it missing.

with nine operating tables and a water pump. In addition to the above facilities, it has 200 folding cots for beds, and has all the other materials and equipment necessary to operate as an independent unit. The Government will inspect the hospital often and keep it updated without cost.

The Shallotte School is the only available facility large enough to set-up the hospital. The County Commissioners and County Board of Education worked out an agreement to build and store the hospital on the Shallotte School Campus.

It is good to know that such fine facilities are available to Brunswick County, if ever needed. This is just a small part of the total program of the County Civil Defense Agency to save lives and property during periods of disaster. It also promotes shelter for the people and training to be prepared should any emergency or disaster ever come our way.

Big Sailfish Caught Here

PRIZE—This is the sailfish caught off Southport Sunday by fishermen aboard the MaAllister yacht Daedalus. This craft is permanently based at Southport after being the first customer at the Small Boat Harbor.

Saturday Morning

Parade Heads Celebration

Hosiery Plant In Shallotte Building

Machinery is being moved into the Martin Nielson building at Shallotte this week by the Lark-sheer Hosiery Mill which plans to go into production at his new location in about two weeks.

Ronald Harris of Asheboro is the manager and he has moved with his wife to Shallotte.

According to information, the operation will start with about 10 employees and application forms will be available starting Tuesday at the office of the Band and Chorus.

Woodrow W. Robbins

Plan Revival At Goshen Church

The Rev. Woodrow W. Robbins of High Point will be guest speaker for a week of revival meetings at Goshen Baptist Church starting Monday night.

The Rev. Mr. Robbins is a former pastor of Soldier Bay Baptist Church and Lebanon Baptist Church in this county, and has been pastor of a Baptist Church in High Point for about 15 years. He is well known in Brunswick county and invites friends from every section to come worship with him during the special week of revival.

Services will begin each evening at 8 o'clock. A 15 minute song service will precede the regular services with special music from several choirs from nearby churches.

The Rev. Mr. Robbins is a graduate of Leland High School, attended Columbia Bible School and Wake Forest College and his first pastorate was at his home church, Goshen. He has been pastor of Lexington Avenue Baptist Church for the past 15 years.

Rev. J. C. Spivey of Wilmington is pastor of Goshen Baptist Church.

Plans for an old fashion parade, replete with floats, fire trucks, Boy Scouts, horses, pretty girls and a 54-piece U. S. Marine band are now being completed for Southport's big Fourth of July celebration.

Harold Aldridge, parade chairman, has announced that arrangements are making good progress. Highlighting the parade, which is scheduled for 11 o'clock Saturday morning, is the 2nd Marine Division Band from Camp LeJeune. The Oak Island Coast Guard station is providing the color guard.

The parade will form in front of Brunswick County High School and will march down Howe Street to Moore, will pass through the business district to Atlantic Avenue and will break up in front of Southport High School. Parade officials urge spectators to clear the street ahead of the procession and it is urged that no vehicles be parked after 10 a. m. Saturday on streets included in the line of march.

A 24 member Marine chorus, under the direction of First Lieutenant James J. Clark III, will perform in Franklin Square beside the City Hall at 3 o'clock that afternoon.

The Southport Jaycees have scheduled a repeat of their highly successful fireworks display for

Heritage Show This Weekend

The second annual presentation of the Heritage Show sponsored by the Southport Woman's Club is scheduled this year for July 3-4 to coincide with the Fourth of July celebration.

The main exhibition will be held at the Community Building overlooking the harbor. A special display of the heirloom altar linens from St. Phillip's Church at Brunswick Town will be held at St. Phillip's Episcopal Church, Southport.

The Heritage Show is not simply for display of antiques, as stress is to be put on family kinship with the items. Exhibits will consist of furniture, jewelry, silver, china, clocks, bric-a-brac and souvenirs of military conflicts prior to World War I.

Entries are still being accepted. Letters, papers and documents dating from the Colonial, Revolutionary and Civil War periods will be accepted in addition to the above items.

Board Adopts Salary Scale For Brunswick

The Board of County Commissioners has adopted a policy concerning the setting of salaries for clerical help employed by the county in the future.

The beginning salary of clerical employees will begin at \$200 per month for the first year then will be raised to \$225 per month minimum.

To be excluded from this resolution are the Welfare and Health Department.

The following provisions are included in a statement of policy designed to cover county employees:

Each department head shall be responsible for recruiting and employing such clerical and technical employees as authorized by the budget for his department. When filling a vacancy, each department head shall submit to the board of county commissioners a recommendation as to the position to be filled and the starting salary to be paid the new employee, in line with the duties and responsibilities to be performed and the qualification and experience of the applicant. The decision of the commissioners shall determine the rate of pay of each new employee.

With the exception of the sheriff's department, all county employees shall work from 8:30 a. m. to 5 p. m. with a forty-five minute lunch period.

The following holidays, and such other days as the board of county commissioners may fix, shall be observed by county offices: January 1, Easter Monday, July 4, Washington's birthday, Thanksgiving Day, and three days at Christmas. Employees required to work on the holidays designated may be given compensatory time off for the holiday worked; provided further that when a designated holiday falls on a Sunday, it will be observed the following Monday.

All full-time county employees subject to this resolution shall be granted one day of vacation with pay for each month of full-time service in each fiscal year.

At the last regular meeting of the board, a delegation from the Home Demonstration Clubs came before the commissioners to seek the services of an assistant home agent. With the women was Mrs. Billie H. DeVane, who has resigned as home agent, creating

Mobile Museum Is Coming Here

Arrangements have been completed with the North Carolina Department of Archives and History to have its Mobile Museum of History on display in Southport in connection with that resort town's annual Fourth of July celebration.

Joe Walton, president of the local Jaycee chapter, has announced that confirmation has been received from Mrs. Jo Phillips, Acting Education Curator of the Department of Archives and History that the Mobile Museum will be open to the public in downtown Southport July 3-5.

The big trailer will be parked in front of the Daughters of America Building between Moore and Bay streets.

Dioramas of the fall of Fort Fisher and Blockade Running and Civil War Relics, including a collection of guns, will be among the displays.
