C. A. Atkinson

WINNABOW -- C. A. (Bruce) Atkinson, 90, died Thursday afternoon at the home of a daughter, Mrs. Floyd Hickman, with whom he lived. He was a native of Bolivia, the son of the late John W. and Ann Arnold Atkinson. Final rites were held Saturday at 2 p. m. at Mill Creek Baptist Church by the Rev. W. C. Francis, with burial in Willetts Cemetery.

Survivors include three other daughters, Mrs. Mae Moore and Mrs. Delmas Willetts of Winnabow and Mrs. Jack Caton of Bolivia; a son, Andrew Lee Atkinson of Norfolk, Va.; 17 grandchildren and 27 great-grandchildren.

Look-
 we aren't kidding.
 For a few dollars a month more,
 you could be driving
 a Chrysler:

Make	Wheelbase	Overall Length	V-8 Engine Cubic Inch Displacement	Base Monthly Payments	Difference Per Month
CHRYSLER NEWPORT	124"	219.0"	383	\$65.80	—
OLDS F-85 CUTLASS	115"	204.2"	330	\$58.39	\$7.41
BUICK SPECIAL SKYLARK	115"	204.0"	300	\$58.15	\$7.65

BASIS OF COMPARISON—All models are two-door hardtops equipped with V-8 engine, automatic transmission, power steering, power brakes, radio and heater. Monthly payments have been computed on manufacturer's suggested retail price, 1/4 down and 36 monthly payments. Not included are the extras you pay for on practically any new car: whitewall tires, deluxe wheel covers, destination charges, state and local taxes, interest, insurance, and licensing fees.

The hard facts are all in the chart. You can practically pay the price of a Chrysler and get a lot less car all the way around. Or, you can come in and move up to the Chrysler class for far less money than most people suspect. Confidentially, which choice makes the most sense to you?

CHRYSLER'S 5-YEAR/50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY WITH THIS COVERAGE: Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, without charge for required parts and labor, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1966 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

Move up to Chrysler—at Chrysler Zoomtown
