Coast Guard Auxiliary Foltillia Officers

ELECTED-The Southport Coast Guard Auxiliary Flotilla was organized here Friday night and temporary officers were elected. They are, left to right, Col. William O. Beasley, division training officer; Wayland Vereen, vice commander; Jerry Sherrod, flotilla training officer; Dr. N. M. Hornstein, commander of the local flotilla.

Red Cross Has Given Aid In South Vietnam

North Carolina's Red Cross North Carolina's Red Cross chapters are becoming in-creasingly involved in the Viet Nam conflict, according to Al Martin, chairman of the Bruns-wick County Chapter. Martin said more than 100

ARC staff are on duty in that troubled country with U.S. fighting forces, and more workers are being sent.

ARC staff in Viet Nam are attached to fighting units, also are on duty with hospitalized wounded, and teams of recreation centers and with clubmobile units.

Martin said that, because of increased activity in behalf of the U.S. Forces in Viet Nam, Red Cross nationally exthe pects to overspend its military services budget for the 1965-66 fiscal year ending June 30 by more than \$ 3,700,000.

A 1965 statewide accomplishment report recently made to Gov. Dan K. Moore indicated that one of every four North Carolina families of servicemen, many on duty in Viet Nam, was helped by the state's 104 chapters during the year, mainly involving family emergency and other situations requiring contact with and often emergency leave for a serviceman. Other statewide 1965 accom-

plishment:

Chapter instructors issued 32, 201 certificates in swimming and lifesaving courses, 20,645 in first aid, and 5,855 in care of sick and injured and motherbaby care.

Civilian and military donors gave 112,474 pints of blood for use as whole blood or derivatives by hospitals which participate in the organization's blood

program. In a relatively light year for major disasters in the state, Red Cross spent \$165,278 in North Carolina for the victims of flood, tornado, major fire and other catastrophes.

Volunteers served 157,000 hours in military and veterans hospitals, and additional thousands of hours in civilian hos-pitals, in the blood program, disaster emergencies, health and safety instruction and other programs.

Martin said this report also showed increased activity by propriation of \$664 266 to assi people over the particularly by high school and 59 North Carolina and South Carcollege campus volunteers. They olina hospitals in financing charserve mainly in hospitals, and in ity services. water safety and the blood program.

List Eligable **Students For Special School**

With the recommendation of the high school principal and faculty, Superintendent of Schools George Williams has nominated 19 students from Brunswick county schools for the Governor's School this summer.

This is the 4th summer the Governor's School has been held at Salem College, Winston-Salem, Each summer approximately 400 highly gifted or talented high school students are selected from the rising junior and senior classes of North Carolina high schools. The Governor's School provides a variety of unique and distinctive educational experiences to the students in the areas of the humanities, English and foreign language, mathematics, natural science, social science, art, music, dance, and drama.

Present plans call for the school to be in session from June 20 until August 5. Tuition, room, board, instructional supplies, and books will be furnished without charge. The school will be financed this year by an appropriation of the 1965 General Assembly of North Carolina.

Successful candidates will be notified of their selection on or about May 10. The following are Governor's School candidates from Brunswick County: Academic area - Bolivia High Shool, Roger Watkins, son of Mr. and Mrs. Morrison Watkins, Le-land; B.C.H.S., Agnes Bernard, daughter of Mr. and Mrs. Ralph Bernard, Bolivia; Leland high school; Beth Blake, daughter of Mr. and Mrs. Raymond Blake, Leland, Nanay, Baymond Blake, Leland; Nancy Raynor, daughter of Mr. and Mrs. Dexter Raynor, Jr., Leland; Marilyn Russ, daughter of Mr. and Mrs. Earl Russ, Leland; Lincoln High School, Lonnie Harrison, Jr. son of Mr. and Mrs. Douglas Harrison, Leland.

Time And Tide

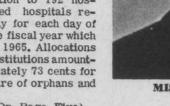

Fire had destroyed the two-story brick Loughlin building located on the corner of Moore and Howe Streets in Southport in the early hours of Tuesday morning prior to the publication of our edition for March 18, 1936. The death of John Wescott, last Brunswick county survivor of the Confederate army, was also reported that day.

A federal appropriation had been approved for marking wrecks on the coast of Brunswick as a protection for shippers; Sam J. Frink had been appointed a member of the board of county commissioners to succeed Kelly Milliken; and a group of Southport citizens had put up money for the purchase of the old Southport High School building in Franklin Park in order that this structure could be remodeled into a community building.

The Pilot for March 19, 1941, had a front page picture with the caption "Running Water" and it showed a boy drinking from the overflow pipe of an artesian well. An invitation had been extended to movie star Randolph Scott to attend the forthcoming reunion of his old Coast Artillery unit of which he was a member when he was at Fort Caswell. There has been a 1-inch snowfall the previous Thursday at several points in Brunswick.

Bolivia girls, led by Catherine Stone, had won the Star-News Basketball Tournament; heart diseases had been branded as North Carolina's No. 1 killer even that long ago; and the pear trees had braved the cold snap and were blooming.

Members of the Brunswick County Selective Service Board, were shown in front page pictures in our issue for March 13, 1946. They were J. J. Loughlin, Jr., Price Furpless and James Carr. The R. & S. Amusements were back in town and had drawn not only a front page story, but editorial comment as well. (Continued On Page Four)
