## All Kinds Of Talent Shown In 4-H Event

The 1966 Brunswick County 4-H Dress Revue and Talent Show was held Tuesday evening in the auditorium of the Shallotte High School.

With "Spring Swings with Styles and Songs" as the theme, 4-H members from six clubs demonstrated their talents in clothing and entertainment.

In the junior division of the Dress Revue, Angela Galloway walked away with top honors with her six-gore skirt of blue polished denim. Angela's skirt was a good example of what can be done with fabric left over from making another garment to make a second attractive outfit. Angela is the daughter of Mr. and Mrs. Elbert Galloway of Supply and is a member of the Better Youth Club.

Other blue ribbon winners in the junior division were Sabrina Fulford, Debbie Caison and Shaina Lou Fulford, Janice Caison, Margie Caison and Anne Smith received red ribbons and Wanda McDonald received a white ribbon.

In the senior division, Susan Gray, daughter of Mr. and Mrs. M. P. Gray of Ocean Isle Beach, won with her pale blue hand-knitted 100 per cent mohair sweater and a matching blue wool skirt.

Other winners in the senior division were Linda Cheers, red ribbon, and Lynn Hewett, white ribbon.

Both the junior and senior winners received plaques presented by Thomas Batson for Kirby's Department Store in Shallotte.

## Scholarships To Brunswick Girls To Be Nurses

Yvonne Chadwick of Shallotte, and Jo Ann Lillard of Southport have been named co-winners of the 1966 Registered Nurse Scholarship awarded by the Southport Woman's Club. Mrs. E. C. Harrelson, president, announced that each girl will receive \$300 toward her professional education.

Miss Chadwick, a member of the 1966 graduating class of Shallotte High School, is the daughter of Mr. and Mrs. James W. Chadwick. She will attend Wilmington College.

Miss Lillard, who graduates this week from Brunswick County High, is the daughter of Mrs. Fred E. Smith and the late Thomas Lillard, Jr. She has been making her home with her grandmother, Mrs. Ruth Hankins, of Southport. Jo Ann has been accepted at the Lincoln Hospital School of Nursing in Durham.

Judging for the scholarship was on the basis of the applicant's scholastic record, particularly in science and mathematics; scores on college entrance or SAT tests; acceptance by an accredited nursing school; financial need; and character references. Members of the Woman's Club Scholarship Committee were so favorably impressed with both Miss Chadwick and Miss Lillard that they decided to divide the award between them.

Mrs. Harrelson expressed the hope of the Southport Woman's Club that both girls will complete the training to enable them to return as Registered Nurses to work in Brunswick County.

This is the fifth consecutive year nursing scholarships have been awarded through the Southport Woman's Club. Previous winners have come from Bolivia, Shallotte and Southport.

## Time And Tide

It was May 28, 1936 and a couple of new tennis courts in Franklin Square were the latest additions to the recreational facilities of the community. Joe Jelks of Southport was to be a member of the 140-member graduating class at Wake Forest College. Good progress was reported on the renovation of the old frame high school building in Franklin Square, now in the process of being made into a city hall and community center.

Mr. and Mrs. W. M. Hood and son had moved back to Southport from Bald Head Island; and Shallotte Trading Co. (Kirby's) had a special on ice cream freezers.

The May 28, 1941, edition of The Pilot carried the headline: "Rural Electrification Program Six Years Old". Members of the N. C. Bird Club had held a meeting in Brunswick county and had visited Orton, Battery Island and Bald Head Island, among other places. Announcement had been made that Orton pond would be open to the public, for a fee.

The late FDR had given up on his purpose to advance the accepted date for Thanksgiving and had announced that henceforth the observance would be on the last Thursday in November. There was a full page co-op advertisement for the forthcoming Southport Flower Show; and the child of Deputy Sheriff Drew Long had been treated for rattlesnake bites.

May 22, 1946 and the pavilion at Long Beach had changed hands. The new owner was the late John F. Garrett of Whiteville. Work had started on a brick building at Shallotte, to house a branch office of the Waccamaw Bank and Trust Co.

Glenn Tucker had headed the Cancer Crusade in Brunswick and had reported collections totaling \$239,62—an amount which was \$39,62 above the assigned quota; a hot political campaign was in progress in Brunswick, and our advertising section was filled with promises; and the N. C. Bird Club had been back to Brunswick County for another field trip.

Some headlines from The Pilot for May 1951: "The Rev. Tatt Hewett Moderator" he had been elevated to that role in the Brunswick Baptist Association to succeed the Rev. H. M. Baker. Another headline: "Rev. H. M. Baker to Leave Local Church"—this popular

## Social Security Monthly Payroll Is Big Business

Monthly Old-Age, Survivors, and Disability Insurance Benefits in Brunswick County now top \$140,318, Albert P. Mason, District Manager of Social Security in Wilmington, said this week on releasing his annual county benefit data report.

The new monthly figure represents an increase of above 15 per cent over the corresponding period last year.

"This increase can be attributed to the changes in the law in recent years, as well as to the growth in our aged population," Mr. Mason said. "This money stimulates county business; most of it is spent for food, clothing, and shelter."

"There is no longer any doubt, Social Security benefits are helping to stabilize the income and spending power of many residents in Brunswick County."

Monthly benefits first became payable in January 1940, and they have continued without interruption for years, accompanied by a steady growth in the number of beneficiaries. Mason noted that as of December 31, 1965, some 2,741 Brunswick county citizens were collecting about \$140,318 annually from Social Security, an increase of about 15 per cent over the same date in 1964.

More people in Brunswick County, he said, could draw Social Security benefits if they know more about the law, and for that reason, they are urged to visit or call the local Social Security Office whenever they have a question concerning their benefits or responsibilities.

The following table shows the number and amount of each type of monthly benefit paid in Brunswick County as of December 31, 1965:

Retired worker, 1,052, \$68,-973; wife or husband, 354, \$10,-319; widow or widower, 244, \$13,917; mothers and children, 596, \$23,980; disabled workers and dependents, 488, \$22,645.

## Stevens Talks To Lions Club

Brunswick county citizens were urged to put on their coat and ties to welcome tourists this season by Roy A. Stevens, director of the Resources Development Commission.

Stevens speaking to the Southport Lions Club Thursday night, urged citizens to meet each tourist as if he were a personal guest. He quoted statistics showing that the tourist income in the county had increased from \$289,000 in 1948 to \$1,738,000 in 1965. "We have enjoyed a tremendous increase," Stevens stated, "but we have only scratched the surface of the potential. While attending the Chicago Travel Show, I had an opportunity to talk about the many points of interest and later send additional information on Brunswick county."

The advertising program of Brunswick county was outlined by Stevens, which included the outdoor advertising sign program, a full page ad in the North Carolina Travelbook and other special publications.

"We recently answered an inquiry from Belgium, which we can tract directly to the Travelbook," Stevens stated.

The 1966 edition of the Brunswick County Fishing Guide was briefly outlined by Stevens and
