Guiton, sponsor and advisor; Steve Evans, treasurer; Donna Dutton, freshman Ambassador; and Donald Evans, parliamentarian.

Wedding Held To Suit Bride

The bride was far from home and in a strange land, but she wanted a church wedding. But there were certain difficulties. The couple did not have a marriage license, the day was Sunday and the ship which was to be their home for the honeymoon voyage was due to sail before sundown.

The betrothed contacted the Rev. William Davenport, pastor of Trinity Methodist Church, and explained their plight. The groom, master of the SS Halcyon Pancher, did the explaining. His prospective bride, Hannah Larah, wanted a church wedding.

Student Council At Waccamaw High

By JIGGS POWERS

ASH--Waccamaw High School has its first genuine student government. Everything was very business-like and as modern as any big-time election here, Tuesday, as the students of this Brunswick County school went about electing officers for its first student government.

Principal John G. Long says it is the initial time that Waccamaw has had a government set up according to recommendations of the N. C. Student Government Association, though there seems to have been some type student-government here sometime ago.

sociation," though there seems to have been some type student-government here sometime ago. Jerry Wayne Hewett, the son of Mr. and Mrs. Frank Hewett of Ash is the school's first Student President. Other officers elected included Patricia Watts, vice-president; Douglas McKeithan, secretary; Steve Evans, treasurer; Donald Evans, parliamentarian; and Donna Dutton, Freshman class Ambassador.

Patricia is the daughter of Mr. and Mrs. Leon Watts of Ash; Douglas' parents are Mr. and Mrs. Roy McKeithan of Freeland; and Donna is the daughter of Mr. and Mrs. Auburn Dutton of Longwood. Two of the officers, Donald and Steve Evans are the sons of Mr. and Mrs. L. Cleon Evans of Ash.

Jerry Hewett won the presidency over two other candidates, Donald Ward and Jerry White; Miss Watts won the vice-presidency over Miss Rickie Dutton; McKeithan's opposition for the secretaryship came from Linda

Administrator For Hospital Looks Ahead

W. F. Cupit has been here six months as Administrator of Doshier Memorial Hospital and feels the hospital is making progress.

"I would like to let the people know how I feel about the status of their hospital," he said this week.

"The hospital was established for the benefit of the inhabitants of the city of Southport and County Brunswick. Through the years it has carried out its primary purpose by the treatment and care of the sick and injured, keeping always in mind quality and not quantity. There have been many changes of personnel and in the appearance of the hospital over the years, but it is firmly established that the hospital has been and is now being supported by both the people of the city and county.

"Records show the many donations of money, materials and time that have been contributed in the past to keep the hospital in operation so that it might continue to give the services so badly needed. Recently a donation was made by the Local 1838 Longshoreman's Union to install showers which the hospital has never had. Mr. and Mrs. Emile Wesley of Yaupon Beach donated funds to completely paint a semi-private room. Members of the Oak Island Home Demonstration Club had made curtains and redecorated the nursery.

"Even the employees have donated paint and are furnishing the labor themselves to repaint the kitchen. They have also formed a committee to get enough paint to repaint other areas in the hospital. Anonymous donations of money, equipment, time and

Time And Tide

An invitation had been sent to President Franklin D. Roosevelt to visit Southport while on a forthcoming Southern tour. The fine fishing here had been held out as one of the big attractions. That was the front page news in The Pilot for November 11, 1936. Readers may note that press day that week fell upon Armistice Day, and arrangements had been made for patriotic speakers to appear in chapel at each of the consolidated high schools of the county.

Local fishermen were spending their spare time fishing for rockfish off Walden Creek bridge; Powell Crosley, owner of the Cincinnati Reds, had been a visitor here aboard his yacht, Sea Owl; and there was a new column in that issue of The Pilot "Pictured Personalities."

The tenderest hunting scene we ever saw was a front page photo in The Pilot for November 12, 1941. It showed a pretty lady hunter, armed with a shotgun, looking sadly at a buck that had been slain, and she was in the act of patting the poor creature. The caption was "Modern Diana and Her Deer". Another hunting note was that lay days had been approved for quail hunting in Brunswick that fall.

Not Exactly News that week had a fine tribute to Crawford Rourk, paid him by Col. Edgar H. Bain during an address at a District American Legion Convention. "I believe Crawford was the best Sergeant in World War I", declared his old Army captain.

CLEMIT HOLDEN

GEORGE T. ROURK

Harold Willets of Bolivia was elected Sheriff of Brunswick county Tuesday to become the first Republican candidate to win a local office in a general election since C. P. Willets was elected to the office of sheriff in 1942. At that same election A. P. Russ was elected to the board of county commissioners.

Willets defeated Sheriff E. V. Leonard who has served three terms in this office and is the only man who ever has been elected to more than one 4-year term. He was first elected in 1950; did not seek reelection in 1954; was elected in 1958 and again in 1962. Four years ago the man he defeated was Harold Willets, by a vote of 3247 to 2810.

Yesterday the tables were just about turned. Willets polled 3540 votes to 2958 for Sheriff Leonard.

Odell Williamson and Clyde M. Collier, the Democrat candidates for the 13th House District, won a convincing victory over Leroy Stocks and R. L. Duncan. Williamson polled 6930 votes, Collier 8028, Stocks 4578 and Duncan 3450.

The entire slate of Democratic candidates for member of the board of county commissioners was elected. George T. Rourk polled 3235 votes, V. A. Creech, Jr., 3094, John L. Barbee 3366, Clemit Holden 3118 and D. B. Frink 3218. Creech will be a new man on the board while Barbee will be serving his first

Must Report Any Change In Draft Status

The draft law requires every man registered with a local board to report any change in personal status to his board.

"Young men have asked us just what changes they should report," Hubert A. Livingston, chairman of the Brunswick County Draft Board, said this week. "Generally, anything which has a bearing on classifications should be reported."

The chairman pointed to the following things which should be regarded as change of personal status:

Current change of mail address should always be sent to the board, marriage should be reported at once, pregnancy, births, dependency, and additions to the man's family must be reported, any and all deaths in a man's family should be reported.

If a man and wife are divorced or they no longer live together, this must be reported, permanent change of job should be reported; serious injury or physical defect
