## School Plans Explained Here

The Southport Woman's Club heard an interesting and informative talk by E. B. Tomlinson, Jr., at the April 3 meeting. His subject, "A Need For Better Schools for Brunswick County Children", was illustrated with charts and figures pointing out how the consolidation of the county high schools would make for better physical facilities and better teaching methods.

Department.  
 After Mr. Tomlinson's talk a short business meeting was conducted. The Club voted to co-sponsor, with the Southport Garden Club, "An Old Fashioned Flower Show" on May 11 in the club building. Mrs. Landis G. Brown was named representative for the Woman's Club to work with the General Flower Show Committee.  
 Hostesses for the meeting were Mrs. E. J. Prevatte, chairman, assisted by Mesdames A. E. Huntley, Fred J. Smith, Harry Weeks, A. L. Lewis, Philip King, George Williams and Miss Mary Lee Norment.

To finance such a consolidation, he expressed the hope that the citizens of the county will vote a school bond issue in the early fall.

Mr. Tomlinson was introduced by Mrs. Afton Smith, Jr., who is the chairman of The Education
