

J. M. McLAMB
CANDIDATE FOR COUNTY COMMISSIONER
SHALLOTTE TOWNSHIP

My interest in seeking the office of County Commissioner is not to serve a few individuals, but to serve the county as a whole. And if the people see fit to nominate and elect me to this office, I will represent them to the best of my ability with fairness to each and every citizen alike.

Due to the limited time before the May 4 Primary Election, I will not be able to contact each person in the county individually, therefore, I take this means to solicit your support and vote.

Dolphins, Tigers
Knotted For Title

By JIGGS POWERS
LELAND -- Coach Porky Mintz's Southport Dolphins, scrapping with their backs to the wall, came up with a 3-1 win over Leland's Tigers here, Tuesday night, to achieve a tie for first-place in the Brunswick County Baseball Conference.

The game, the final loop game of the season for both clubs ended with each of the two leaders having a 7-2 record in the 9-game schedule. Thus, with both Leland--the erstwhile leader until that Tuesday loss--and Southport, the defending loop champ, all even at 7-2 apiece, a playoff for the Brunswick County Conference crown is forthcoming.

The date and site of the playoff had not been decided Wednesday.

Gary Clark came up with a 2-hit pitching job to spark the tie-clinching win for the Dolphins. He fanned 9 Tigers and

Danny Mintz lived on an error, followed by Thompson's single, a hit-batsman (Larry McLawhorn) and then Danny Aycock's single to produce the Leland run in the 4th.

Southport tied things up with a run in the 6th inning as Gordon Davis walked and, after Richard Bellows flied to shortstop, Mike Williams singled and an outfield

For County Commissioner For
SMITHVILLE TOWNSHIP

During any Political campaign you can hear many rumors. Today is the last County paper before the election and I would like to give you some facts. In the last two years the County has welcomed Highlander, Dupont and Carolina Power and Light Company to this County. The County has aided all the existing fire departments plus two new ones at Holden Beach and Yaupon Beach. We have started a concentrated effort to collect back taxes, it is paying off. We have given an additional \$22,500 to the Board of Education without raising county taxes. We have established a county hospital committee, which is only waiting for the freeze on Federal funds to be lifted before they act. We are on the move in Brunswick and these are just a few of the facts in this movement. I have played a part in these things. I would like for you to vote for me so I can continue to work for this County. Your vote and support for me, John L. Barbee for County Commissioner is appreciated.
