County Voters Support State Scott-Taylor

New Officer Arrives Here

Lieut. Colonel Howard C. Conley of Flat Gap, Kentucky, has recently reported for assignment and duty as Director of Operations at the Military Ocean Terminal at Sunny Point.

Col. Conley arrived at Sunny Point after completion of an overseas assignment in South Vietnam with the Transportation Corps after serving a two-year assignment in Bangkok, Thailand.

He first entered the service in 1946, completed basic training at Ft. Lewis, Washington, and later graduated as a Second Lieut., Transportation Corps, at Ft. Riley, Kansas.

Col. Conley and Mrs. Conley, the former Ada Lee Ritter of Wetumka, Oklahoma, have a daughter, Connie, in college in Lincoln, Nebraska, and a son and daughter, John and Rachel, in high school in Albuquerque, New Mexico.

Col. Conley's overseas assignments include eight years in Europe and six years in the Pacific area.

He will reside in the Southport area during his tour of duty at Sunny Point.

In a record-shattering vote of over 8,700 Tuesday Brunswick county voters gave the lead in the president's race to George Wallace, although Richard M. Nixon came out the winner on the state and national level. He finished third in Brunswick.

With the announcement about 8:30 this (Wednesday) morning that the Nixon ticket had won Illinois' vote, the GOP standard bearer had garnered 287 electoral votes, 17 more than the required 270 needed for election.

Unofficial tabulation in Brunswick County showed that of the 8,712 votes cast in the presidential balloting, county voters dropped their regular vote pattern and cast 3,346 votes for American Party hopeful, George Wallace.

Democratic nominee Hubert Humphrey and his running mate were second in county polling, with 2,965 votes, and Republican Richard Nixon captured but 2,401.

In other county voting R.C. Soles and Arthur W. Williamson both have won House seats, as Soles gathered 9027 votes and Williamson 8072. Marion Davis, Republican hopeful, polled 5753 votes in county balloting.

It was stated that although nothing had as yet been heard from Brunswick County at Press time, it was understood that both

Knowles Named As Candidate

Abner S. Knowles has been nominated to run for re-election as a Brunswick Soil and Water Conservation District Supervisor.

In announcing the nomination James Bellamy, chairman of the Brunswick Soil and Water Conservation District, emphasized that anyone wishing to run or wishes to be another person nominated may do so. To nominate a person, a petition signed by 25 qualified voters in the county must be submitted by December 1. The petition form and information can be obtained from the conservation district office which is located behind Security Savings and Loan Association in Shallotte.

Knowles is now completing his first three-year term as district supervisor. He is interested in agriculture, conservation and other farming problems. A former Brunswick County Extension agent, he is now working at Washam and Warlick and Harrelson farm supply in Shallotte.

Bellamy said that the election will be held this year on Friday, December 13.

The election will be for one supervisor to serve a three-year term, beginning January 6, 1969.

Polling places will be at the following locations: Washam and Warlick and Harrelson-Shalotte; D. E. Long Gulf Service Station-Supply; A. P. Henry, Jr.-Winnabow; Hughes Grocery-Longwood; Jerome Jenrette-Hickmans Crossroads; Tax Office-Southport; Delmas Farm Supply-Ash.

In a record breaking vote Tuesday Brunswick county voters gave a sweeping victory to Democrat candidates in state, district and county races. A total of 8,712 voters cast their ballot in the presidential race.

Durwood Clark was reelected Register of Deeds which 4,803 votes to 3,179 votes for his Republican opponent, Mrs. Frances Key.

Four incumbent Democratic commissioners were reelected and a fifth seeking his first term went in with them to make it a clean sweep. Leading the way was V. A. Creech, who polled 4,341 votes. He was followed by George Rourk with 4,150, Clemit Holden with 4,116, Willie D. Ward with 4,003 and D. B. Frink with 3,931.

The Republican leader was Douglas Roycroft, with 3,740 votes, which was only 191 votes less than D. B. Frink, his opponent from Shallotte township. Ramon Babson was the second high Republican vote-getter in the commissioner's race with 3,748 votes, Jerry D. Lewis polled 3,699, C. B. Caroon had 3,622 and George Reed had 3,106.

In the House of Representatives race R. C. Soles led the way in Brunswick with 4,722 votes. A. W. Williamson, his Democratic runningmate had 4,325 and the only Republican in the race, Marion Davis, had 3,240.

Ray H. Walton and Giles R. Clark had no opposition for election to the office of District Judge and Allen Cobb was unopposed for District Solicitor. Sankey W. Robinson also was unopposed for the State Senate. All of these men received high vote totals in Brunswick balloting.

Registration Of Firearms

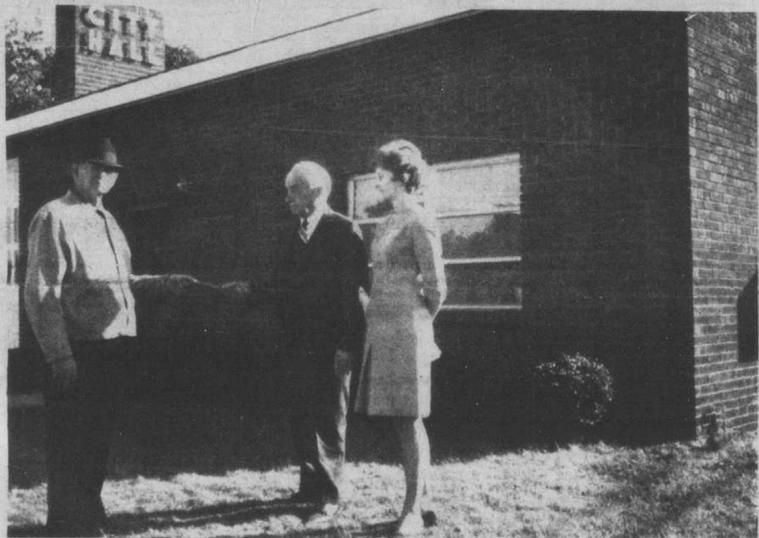

Anyone having an unregistered machine gun, sawed off shotgun, short barreled rifle or other gangster-type weapon, or a device such as a bomb, grenade or land mine, may register it with the Internal Revenue Service without penalty from November 2 through December 1.

The Gun Control Act of 1968, signed into law last week, establishes a 30-day period for the registration of certain weapons and destructive devices.

The registration requirement does not affect ordinary rifles, shotguns, pistols and revolvers.

The Gun Control Act provides that information or evidence submitted in registering a weapon during this period cannot be used against the registrant in any criminal proceeding arising out of a prior or concurrent violation of the law. However, this would not prevent prosecution for furnishing false information.

Present Deed

James Kyle, mayor of Long Beach, is shown left as he accepts a deed from E. F. Middleton, president of National Development Corporation, to a plot of land which will be used as a park and recreation area in this resort community. With them on the right is Mrs. Carol Willis, town clerk.

Audit Figures Show Brunswick Finances Good

Bank accounts for the Brunswick County government amounted to \$278,473 at the end of its fiscal year June 30, according to an audit received last month by the board of commissioners.

The report of the audit was made in person by E. M. Underwood, representing John C. Muse, certified public accounting firm of Sanford.

His report disclosed that each receipts for the year amounted to \$1,135,485. The amount spent was \$1,038,944. The greater percent of the difference between receipts and disbursements was rebudgeted for use during the current fiscal year.

The audit covered records maintained in the offices of the county auditor, register of deeds and tax departments. It does not include School Funds.

Underwood told the commissioners that his firm found "it a pleasure to audit records kept as well as yours." He praised the commissioners and county employees, stating that "Brunswick county is in excellent financial condition."

"Brunswick" he said, "is as financially sound as any county in the state."

In addition to sound management procedures, one reason for the healthy balance of funds at the end of the year was the high percentage of taxes collected for the past year.

The audit showed that 92 percent of taxes for the 1967-68 has been collected by H. G. McKeithan.

The county underspent \$235,451, of the amounts budgeted for its 1967-68

(Continued On Page Four)

Savings Bonds Sales Increase

Combined sales of Savings Bonds and Freedom Shares during September showed the largest percentage of increase for any month this year when compared with the comparable month a year ago. Sales were \$5,131,367, an 11.4% increase over September 1967, and the best September sales since 1946.

Savings Bond and Freedom Share sales in Brunswick county were \$2,286, for September. For the year, cumulative sales amounted to \$28,819, which is 69.8 percent of the county's \$41,280. quota for 1968, according to Lester V. Lowe, Volunteer Chairman of the Savings Bonds Program in Brunswick.

Cumulative sales of Bonds and Shares for January-September totaled \$48,466,554—a 6% increase over the same nine-month period a year ago. This represents 70.4% of the State's annual quota of \$68,800,000.

Time And Tide

It was November 2, 1938, and the front page picture that week showed a real live rescue of a sailing vessel by the Coast Guard. Actually, the scene was a tame one, and the motor lifeboat from Oak Island was pulling a sailing yacht from a river bar under the surveillance of a local pogie boat. Charles Ferrell had taken the photograph after a day shooting the menhaden boat's crew in action. There was some talk of a locally sponsored fox hunting tournament; the Brunswick County Fair had been held in Southport; and a political advertisement announced, "Brunswick Prospers After Eight Years of Democracy."

A full page of that issue of The Pilot was taken by a political party, and in the advertisement each county candidate was pictured and covered by a feature article. A dramatic account of a hawk hunt had appeared; the General Election had rolled around again; and only one case had been tried in that week's Recorder's court.

It was November 10, 1943, and all shades on Southport street lights had come down with the end of dim-out regulations. One editorial was getting full treatment, for it had run for the second consecutive week. Perhaps it was the headline: "More Jeffers-Fewer Professors." Italian POW's were being used to harvest peanuts in the coastal section; the Rev. R. S. Harrison had returned to Trinity Methodist Church for another year; and the ultimate in honesty was reached that week when one person advertised his finding a tire and
