## Conley Milligan

SHALLOTTE — Conley M. Milligan, 60, of Ash, died Tuesday at home. Survivors include his widow, Mrs. Ressie G. Milligan; three sons, Tom of Farmville, Gilbert of Wilmington and Ronald Milligan of Ash; two daughters, Mrs. Margaret Calson of Supply and Mrs. Inez Parker of Ash; two stepsons, Carl Gore of Winterport, Me. and Lindsey Gore of Shallotte; his mother, Mrs. M.D. Smith of Ash; 27 grandchildren; three half-sisters and four half-brothers.

Final rites will be announced by Powell Funeral home.

## Mrs. Osborne

CHARLOTTE — Mrs. Eleanor Johnson Osborne, 69, a Brunswick County resident for many years, died in Charlotte Memorial Hospital, Wednesday, April 28. Final rites were held Saturday at Greensboro at Forbis and Dick Funeral Home Chapel with burial in Gullford Memorial Park. Dr. Joseph

M. Garrison officiated. Survivors include a daughter, Mrs. Eleanor Joann Garner of Charlotte; three brothers, Sherwood, Archie and Milton Johnson of Bolivia; four sisters, Mrs. Tommie Maultsby of Wilmington, Mrs. James P. Padgett of Southport and Mrs. Irvin Lewis of Norfolk, Va. and Mrs. Harvey Obernauf of Liberty, Ill.; and two grandchildren.

## Nathan K. Smith

LAURINBURG — Nathan K. Smith, 74, a retired textile worker, died Saturday. Final rites were held Monday at 2 p.m. at McDougald Funeral Home by the Rev. Everett Peele, with burial in Hillside Memorial Park.

Survivors include his widow, Mrs. Bernice McQueen Smith; two sons, Lacy of Laurinburg and Nathan Smith of New Orleans, La.; four daughters, Mrs. Edgar Peele of Long Beach, Mrs. Everette Peele and Misses Christine and Bonnie Smith of Laurinburg; three sisters, Mrs. Minnie Enmanuel of Aynor, S.C. Mrs. Ethel Tingen of Graham and

Mrs. R.W. Goodman of Rockingham; and four grandchildren.

## Mrs. Galloway

SUPPLY — Mrs. Florence Holden Galloway, 83, died at Doshier Memorial Hospital, Southport, Saturday. She was a Brunswick County native, the daughter of the late George and Georganna Hewett Holden. Graveside rites were held Tuesday at 3 p.m. at Holden Cemetery by the Rev. Tracy Varnum.

Survivors include her husband, Richard Galloway; two sons, Harry and Robert Galloway, Supply; eight grandchildren and seven great-grandchildren. Active pallbearers were Roger Robinson, Lenzie Simmons, Douglas McDonald, Arnold Brane, Jenrette Brown and Edsell Norris.

## Arthur L. Gore

Arthur L. Gore, 68, a retired State prison camp employee, died Thursday at Columbus County Hospital. Final rites were held Saturday at 3 p.m. at Old

Dock Methodist Church by the Rev. Edward Batchelor, with burial in the church cemetery.

Survivors include his widow, Mrs. Delta Blackmon Gore; three daughters, Mrs. Hoyt Inman of Freeland, Mrs. Henderson Gore of Ash and Mrs. Larry Rogers of Wilmington; a stepson, Jackie D. Bullard of Jacksonville, Fla.; a stepdaughter, Mrs. W.H. Hardie of Jacksonville, Fla.; four brothers, Percy, Elbert, Colon and Lacy Gore of Old Dock; four sisters, Mrs. Ellis Ward of Whiteville, Mrs. Quillie Evans and Mrs. Guest Ward of Nakina and Mrs. Annie Mae Inman of Sumter, S.C.; and 12 grandchildren.

Active pallbearers were Clarence Moore, Golla Rhodes, Lee Fowler, John Gore, Pink McKeithan and Garland Long.

## LUTHER D. PIGOTT

SHALLOTTE — Luther D. Pigott of Shallotte died at home Saturday. Final rites were held Wednesday at 2 p.m. at Pleasant Hill Baptist Church near Shallotte, with

# CP&L Planning \$ - Billion Plant

Plans for a \$1 billion energy-generating complex in Wake County were announced Friday by officials of Carolina Power & Light Co., with four nuclear power units scheduled to be completed by 1980.

CP&L President Shearon Harris, speaking to Wake County officials during a breakfast meeting, reported that the 3.3 million kilowatt capability of the four-unit plant would equal power output of the entire CP&L system at the beginning of 1971.

Harris said it is proposed that the first unit would come into operation in 1977, with the second, third and fourth units scheduled for completion in 1978, 1979, and 1980,

respectively. Each of the four units will produce 900,000 kilowatts.

The 18,000 acres required for the complex are located in the southwest corner of Wake County and the adjoining area of Chatham County, about 20 miles south of Raleigh. Closest community to the site is Bonsal, to the north, with Apex, Holly Springs and Fuquay - Varina to the east of the site.

J.A. Jones, CP&L senior vice president and group executive for engineering and operations, reported that a major feature of the energy complex would be two connecting lakes covering 10,500 acres. The plant will be on the north side of the lakes, about one and one-half miles south of U.S. 1.

A portion of the lakes will be located in Chatham County, south of the Wake County boundary. Construction on the lakes is expected to begin early next year, with completion of the filling anticipated for early 1976.

Harris announced that an integral part of the

development will be establishment of "an Energy and Environmental Center where our programs will include research, education and training."

Harris announced that an integral part of the

## THANK YOU

I want to thank my friends and supporters for their backing in the municipal election for the City of Southport on May 4, 1971.

CONLEY D. KOONTZ

# Leopard Spots

By Leslie Zachary

Friday at 8 p.m. the 1971 Junior-Senior Prom will begin in the BCSH gymnasium. The Junior's are really working hard to make the last-minute preparations and to get the gymnasium decorated. The occasion promises to be a very delightful one and it is hoped that many of the BCSH Juniors and Seniors will be present to join in the fun.

Saturday, many members of the Science Club and BCSH science classes are going on a field trip to visit the Myrtle Beach Air Force Base.

The group will be leaving for Myrtle Beach around 8:30 Saturday morning. Once at the base the students will be given a personal tour by Colonel Rosencrans. During the tour the BCSH students will be shown the new radar equipment, as well as the new navigational equipment of the base. They will also get a look at the A7D Corsair II, which is a new aircraft on the Myrtle Beach base.

The group will have lunch in the base dining hall which has been awarded the Harmon Trophy for being the number one dining hall in the entire Air Force.

Mr. William Thorsen and Mrs. O.B. Gore, science teachers at BCSH, will go with the group to the Air Force base.

The BCSH band is busily preparing for its last three events of the school year.

May 22, the band will be marching in the Blueberry Parade that is held at White Lake.

During this month they will be giving the annual spring concert. This concert also includes the BCSH choral group which is under the direction of Mr. James Frink.

What will interest the majority of BCSH students is the fact that the band is already rehearsing and preparing for the final school commencement exercises.

During the last days of school, when the BCSH building has gotten a little stuffy and everyone is so bored with school, it is very refreshing to hear the BCSH band marching around the building, filling the day with lively music. The music seems to wake everyone up and make the classrooms a little less dreary.

The BCSH band is directed by Mr. Ralph Parker, who does a very fine job. All of BCSH is very proud of our band and the choral group.

A Civil Service exam was given to Senior students who could type at least 40 words a minute Tuesday of this week. The exam was for clerical secretaries and typists. Those who pass the exam will receive certificates that will enable them to get civil service jobs.

The BCSH golf team will be playing Cape Fear Technical Institute again May 12. The meet will be played on the Oak Island Golf Course.

Since I am a Senior and will be graduating this June, I will, regretfully, not be able to write the LEOPARD'S SPOTS next year. Writing this column every week has been a real challenge and a rewarding experience. I have enjoyed doing it for several reasons. Through it I was brought into contact with many people, I was able to keep up with school activities and to share these with the people in our community, and was given an opportunity to write for people.

Many people at BCSH and in our community have expressed the desire to keep the LEOPARD'S SPOTS going. I personally think it would be most beneficial to anyone who would like to try doing it. If any BCSH student would like to try writing the LEOPARD'S SPOTS next year, please contact me before the end of school and I will try to help you get started. It is not hard and it is interesting and fun.

## I Am Grateful

I thank all of the citizens of the city of Southport for the honor they have given me when they elected me to the Board of Aldermen. I will do my best at all times to serve the best interest of all the people.
