Honor To Five Heart Workers

Five Brunswick County residents have been selected from over 100,000 North Carolina Heart Volunteers to receive an award for outstanding service at the North Carolina Heart Association's 23rd annual meeting in Charlotte today and Thursday.

Mrs. Ernest Wolf of Winnabow, Mrs. Phillip King of

Southport, Mrs. Marie Leonard of Shallotte, Mrs. Jenny Bennett of Shallotte and Herman Grissett of Supply were the five from Brunswick.

The Founders Award is presented annually to Heart Volunteers "for distinguished leadership in the Heart Cause" over a period of years or for exceptional service for one year.

Mrs. James Woods, Jr., wife of the president of the Association, will make the presentations at the annual awards and business meeting breakfast to be held Thursday in Charlotte.

Mrs. Wolf was the northern rural chairman, Mrs. King, the Southport city chairman, Mrs. Leonard, Shallotte city chairman, Mrs. Benett, community chairman and Mr. Grissett, the Cedar Grove community chairman.

"They have done an excellent job, along with the many other volunteers in our county. We have exceeded our goal for the year and as memorial gifts keep coming in we hope to give you a total by June 30 far more than that," said Mrs. Ouida H. Hewett, president of the local association.

Highlights of the annual Heart Association meeting will be a tour of Charlotte Memorial Hospital's cardiovascular research facilities, demonstrations of the state association's newest

medical programs, and interest to local Heart panels on programs of special Association.

Elect
HERMAN STRONG
Democratic Candidate
for
County Commissioner

I would like to thank the people of Brunswick County for their support in the May 6 Democratic primary for the board of county commissioners.

The race was extremely close, as I finished only 13 votes behind my opponent with more than 4,000 votes cast. Because of the encouragement I have received from my friends and supporters, I have elected to call for a second primary June 3. I believe that I will win.

Your continued support will be greatly appreciated. With your help, we can bring a fair and impartial government to Brunswick County.
