MICROWAVE OVEN SALE!

JUST IN TIME FOR MOTHER'S DAY

BETTER COOKING IN LESS TIME!

Hotpoint's Microwave Oven does more than save on cooking time. Vegetables taste fresh and are attractive in appearance. Meats cook tender and succulent! Lets you cook right on serving dishes — glass, ceramic or some plastics — to reduce clean-ups. Because the oven stays cool, it wipes clean in a jiffy, no baked-on spatters.

With less cooking time and less clean-up time, Mom has a chance to spend more time with her family doing the fun things in life.
