• A Bolivia man reported Friday that someone took the license tag off his Ford pickup while it was parked at the Shallotte Food Lion.

• A Shallotte man reported Friday that while he and his wife were sleeping they heard someone outside, got up and looked out the window and saw a car speeding from the driveway. The victim said it was the same vehicle that had been following him for three days. The driver of the car had also been stopping in front of the victim's house and blowing the horn. The victim stated the driver used to be married to his wife. Two tires on the victim's 1987 Dodge were cut, according to deputy Phil Bryant's report.

• A Bolivia man reported Saturday that a cedar block was thrown through the window of his 1989 Pontiac Firebird while the vehicle was parked on Green Lewis Loop Road, causing an estimated \$500 damage. The victim said he parked the car there because it had a flat tire.

• A Southport man reported Friday that a couple renting a trailer lot from him at Southgate Estates on Beach Road took several pieces of property with them when they were evicted. The couple had lived on the lot since 1989, the victim stated. About \$805 worth of property was reported missing, including a set of wooden steps, a dinette set, a sofa, two full-size beds with box springs, a washer and a dryer.

• A Shallotte man reported Saturday that someone broke the lock on his office door and removed a .38-caliber pistol and a container full of silver coins.

• A Leland woman reported Friday that someone entered her mobile home and removed a remote control color TV worth an estimated \$290.

• An Ash man reported Saturday that someone entered his home and removed a TV and VCR worth a total of about \$400.

• Highway 130 Auto Sales in Shallotte reported Saturday that someone broke into a 1987 Subaru and removed a radio and amplifier worth an estimated \$650.

• A Winnabow woman reported Saturday that she heard a noise in her house and later discovered that a wall and cabinet were damaged. Deputy M. S. Mason indicated in his report that possibly a .22-caliber gun was shot into the residence while the woman and husband were in bed asleep and their younger daughter was in the living room.
