

# The meaning of Christmas

## Through a child's eyes

Christmas is happy because you will get toys. Jesus made wooden toys for little girls and boys. Jesus gave Santa Claus the job to deliver toys all over the world. Many people think Santa Claus is not real. If you think he is not real he won't bring you any toys. I will get Ninja Turtles, a G.I. Joe, Battle Wagon and other presents. I love Christmas. I love Christmas because I love Jesus. I love Jesus because he died so we would live.

On Christmas Jesus was born. Three wise men came. One was deaf. I think some people should give thanks to Christmas.

*Justin Arnold*

Christmas is the time that Jesus was born. He was born in a manger. The town was Bethlehem. Three wise men followed a big gleaming star and found the new born baby. They told Mary that the baby's name would be Jesus.

Dear Santa,  
My tree is lop-sided. I want a skating baby. I want a rocking horse for Carrie and some earrings for Mama. Watch out for our lights because some of them come out.

*Johanna J.*

Christmas is just around the corner. It is a time for loving, gifts, toys, families traveling to see each other. But most of all Christmas is celebrating Jesus, the person that died for us. Santa Claus will come to bring you presents. But Christmas is not for toys, it is for praying for Jesus.

On Christmas morning I was a happy girl. I was happy because my dad got me a Barbie Doll and Santa Claus got me a puppy. Christmas is fun!

*Karmen Johnson*

One day Jesus was born in Bethlehem. We know we are celebrating his birth on Christmas Day. We believe in Santa Claus and we are getting presents from him. Some people do not have any presents or any Christmas trees.

*Christopher Hayes*

Christmas to me is giving and receiving gifts. It is a time for getting new toys. I wait for Santa Claus. I like Christmas.

*Gregory Fuller*

I like Christmas because we celebrate Jesus's birthday. Also I like to go get my Christmas tree to decorate it with ornaments. But the thing that is most fun of all is putting the angel on top of the tree. I like to open the presents to see what I get for Christmas. My parents buy toys for me and wrap them with wrapping paper. When they finish they put a bow on the present. Then they put a little tag that says to John from mom and dad. While I'm asleep mom and dad put them under the Christmas tree. When Santa Claus comes with toys he wraps the presents too. And sticks them under the Christmas tree. When the day is over I play with my toys then put them away. If I get a bike, I would take it outside and ride it until it gets dark. The next day I keep riding my bike day by day. My grandparents will get me a remote-control fast trax and Jordan basketball shoes, Jordan clothes and more stuff. So will people in my family. Christmas is fun to me especially the toys and stuff. That is why I like Christmas. My whole family will get me a present. I will get my grandparents gifts, not toys but stuff they need like jewelry and other things. I wrap them with wrapping paper and put a bow and a little tag that says to mom and dad from John. That is why I like Christmas so very much because it is very, very, very, very much.

I think Christmas means that they will give presents to the kids. The kids will have something to play with. Christmas was made by Jesus and God. God wants kids to be happy. I think God is the nicest man in the world.

*Kevin Justice*

Dear Santa,  
I want a baby roller blade and my tooth and anything you want to bring me. Be careful about my dog named Trevor because he will bite your leg and don't hurt the birds in my chimney.

*Amber Tyner*

What Christmas means to me is presents, gifts, toys, joy, happiness and God. Christmas is when Jesus was born. Santa Claus, parents, grandparents make it a happy time for kids. That's what I think Christmas is about.

*Daniel Tyler*

What Christmas means to me is when Santa Claus comes and I get toys. I go to my aunt's and uncle's and I have fun with my cousins. I also go to my grandparents. At Christmas we celebrate God and Jesus. Happy Christmas.

*Meghan Locklear*

I like Christmas because it reminds me of Jesus and a Christmas tree full of presents and toys. My dad bought my four-wheeler and my clothes.

*Brandon Lamar Garvin*

Christmas means Jesus' birthday. Jesus loves God very much. Jesus and God love others too. God wants mom and dad and us to go to church.

*April Russell*

Christmas means toys, presents and Christmas is God's birthday. My mother and father will be happy because Christmas is a special time of the year. Christmas is my favorite holiday. I love it so much. I will buy my grandparents, my family and especially our new baby gifts for Christmas.

*Jennifer Melvin*

Dear Santa,  
I love you. I want a gold bike. You need to watch out for my chimney because it is old. My floor is crackly.

*Sonnie Thomas*

On Christmas we celebrate Jesus' birthday. On Christmas morning we get toys. After we open our presents we eat dinner the whole family.

*Timothy Morrell*

Christmas means a lot to me because it was when Jesus was born. And if he weren't born we wouldn't be here. Christmas is a holiday for joy. It is a holiday for joy. It is a holiday for Santa to come and give us toys.

*Jerod Alltop*

Christmas means getting presents and toys, seeing Santa Claus and going to my grandma's house for Christmas. Getting the Christmas tree up and writing to Santa. I like going to my other grandma's house and getting toys there. We also eat, play and go to sleep. Then we go back to my house.

*Ian Lewis*

Christmas is a time for giving not getting. God decides what you do. Jesus is God's son. It's his birthday. That's what Christmas means to me. Jesus is our true savior.

*Laura Spencer*

Christmas is a time to get together with your family. All kids love Christmas because they like to get presents from people. When I was little I got a big bird. But it got dirty and the sound could not be heard when I was born. My brother liked it, but we could not hear it, so my mom threw it away. I got a Steve Erkle and it had a sound to it. My brother liked it. Christmas is fun.

*Trista Bellamy*

Why I love Christmas is it is God's birthday. We have a pretty Christmas tree and an angel. It is about God, Mary and Joseph in heaven. I will get lots of presents this Christmas. I got 13 presents last year. But I might get more this year from my family. I love, love Christmas.

*Megan Birch*

Dear Santa,  
Let's see. I really don't know what I want for Christmas. There are so many things! They won't fit on this paper. I know I want a projector and giant stuffed dog just like Poochie. Poochie lives in Mrs. Tayloe's room. Santa, I'm going to leave you cookies in the living room on the table.

*Kevin Green*

To me Christmas is about Jesus being born. We get gifts. We put up a tree. On Christmas every night we go to my grandma's. Christmas is about Jesus being born. The wise men gave him gifts. Christmas is Jesus' birthday.
