The Brunswick County Chapter of the North Carolina Symphony was unable to raise the funds needed for two adult concerts this year so the second one was cancelled. However, due to the efforts of many dedicated volunteers and a generous contribution from the county, we did raise enough funds to save the two school concerts held on April 30th. Because the second adult concert was not held, we were unable to publish the names of this year's contributors in a program. For this reason, we are printing the following names with our deep appreciation for their contributions.
