St. Petersburg, By Cable.-An imperial ukase has been promulgated dissolving pariiament and fixing the time for the convocation of the newly elected assembly as March 5,

A second nkase places St. Petersburg in a state of extraordinary security by the declaration of a minor He form of martial law.

A large part of the province of Kiev, where armed uprisings are anticipated in consequence of the dissolution of parliament, has been placed under martial law. The conditions for the new elections will be published later.

The emperor, discouraged by his failure to form a coalition ministry and the distinctly revolutionary paths which parliament has chosen, has apparently been persuaded to risk a final appeal from parliament to the people, or in other words, to dissolve paliament and order new elections on the basis of universal suffrage.

Thursday the imperial ukase caus ing the dissolution of parliament was signed, and was enforced Friday at a final, momentous conference on the subject held at Peterhof.
