**Notice.**

My Farm, in Back Creek township, on the waters of Back Creek, adjoining the lands of Sam Rike, Cannon & Mendonhall, Fat Henley et al. The deed calls for 169 acres, more or less, and about 100 acres in wood land. The balance, 69 acres, is in cultivation and meadow. The farm is well watered and has 2 houses on it. One 6 room house, one 3 room house, barn, corn crib and wagon shed, tool house, extra large shuck house, one granary. Some of the buildings need covering. Land runs within a stones throw of Davis Chapel and also, in 1-4 mile of Conner's Siding. Almost enough cordwood on place to pay for it. Fine corn and hay land. Would sell for cash, or on time, or would exchange it for good real estate in any other State. Would exchange it for saw timber. My reason for getting rid of farm is, that I can't give it any more, at once if you want a bargain. Your price is mine. I am ready to sell. Don't think you can't do business with me but come and see. Yours for business,

Sections one, four and six of said Act are as follows:

Section 1. That the board of Aldermen of the City of Randleman are hereby authorized to submit to the qualified voters of said city at an election hereinafter provided for, the question of issuing bonds, not to exceed the sum of Twenty Two Thousand Five Hundred Dollars, and of levying and collecting special taxes as hereinafter provided, for the payment of interest and principal of said bonds, for the purpose of working, improving and macadamizing the streets of the said City, and of discharging any obligations heretofore incurred in that behalf. The denominations of said bonds shall not be less than one hundred dollars nor more than five hundred dollars, and the said bonds shall bear interest from the date thereof at a rate not exceeding five per centum per annum, with interest coupons attached, payable semi-annually, at such time or times and at such place or places as may be deemed advisable by the said Board of Aldermen; said bonds to be of such form and tenor and transferable in such manner and the principal thereof payable or redeemable at such time or times not exceeding thirty years from the date thereof, and at such place or places as the said Board of Aldermen may determine and designate in said bonds. The bonds and coupons shall be numbered, and the bonds shall be signed by the mayor and countersigned by the Treasurer of said City; and a record shall be kept of all such bonds showing the number and amount as to whom issued.
