Lost His Insurance. The Farmers Mutual Fire Insurance Association of Rowan county has a membership of about 900. Letter to W. J. Miller, Asheboro, N. C. Dear Sir: Now, may be, you can't get the goods; if you can, your fortune is made.

Cotton cloth—they call it muslin in some parts—at about the usual price per yard, but wider, twice as wide as some, and better, wears better, keeps white and whole a surprising time in all sorts of wear.

You could sell that cloth for hundreds of miles; there'd be no limit.

A yard goes further; one buys less yards. Wears longer; one buys less often. It always looks right but well worn out. No one customer buys some of it, but think of the number of customers!

May be you can't get it in cloth; but you can in paint: Devoe. Devoe is as it were wider: a gallon goes further; you buy less gallons; you pay for less gallons; you pay for painting less gallons—as if one paid less for making a garment of that wide cloth—and it keeps its fresh look and sheds water till you have forgotten how old it is.

It isn't true in cloth, but it is in paint: the less you pay, the better it is; for the goodness of paint is reckoned by gallons; less gallons, more goodness. Goodness in paint is strength. The stronger a paint, the less gallons it takes for a job and the longer it wears.

Yours truly, F. W. DEVOE & CO., New York.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR

Regular Price \$8.50 per pair. No more trouble from PUNCTURES. Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred thousand pairs now in actual use. Over Seven-hundred thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than ordinary tires, the puncture-resisting qualities being given by thin, specially prepared fabric on the tread. That "rolling back" sensation commonly felt when riding on asphalt or oak roads is overcome by the "Rolling Back" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.56 per pair) if you send \$2.00 WITH ORDER and enclose this advertisement. We will also send one nickel-plated brass hand pump and two Simpson metal puncture closers on full paid orders (the nickel-puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDAY catalogue. DO NOT WAIT to write us a postal today. DO NOT THINK OF BUYING a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.
