**Passenger Trains** 

MANY PASSENGERS INJURED

The Chicago and Wheeling Express on the Baltimore & Ohio Railroad Dashes Into a Freight Train on a Siding at Bellaire, O .- Fifteen Are Instantly Killed and a Score Injured, Many of Them Fatally The Richard Carle Opera Troupe Among the List of Passengers The Wreck Due to the Failure of an Operator to Throw the Switch Officials of Company Personally Superintend the Rescue Work.

Wheeling, W. Va., Special .-- Eight were killed and a score injured, a number fatally, at Bellaire, O., at 3:15 Saturday afternoon when the Chicago and Wheeling express train on the Baltimore & Ohio Railroad chashed into a freight train which was moving slowly on a siding.

The wreck was due, it is said, to the failure of an operator to throw a switch. The west-bound freight had received orders to meet the passenger at the western limits of the Bellaire vard, and was moving slow-

ly along the siding. At the point Secretary Root reached the city where the wreck occurred there is a very sharp curve which prevents the shortly after 7 o'clock Saturday morning and two hours later was met engineers of the east-bound trains by the local reception committee. from seeing more than a few feet The special train with the repreanced. The passenger train swung entatives of Mexico and Ambassaaround the curve very rapidly being lor and Mrs. Thompson on board, three hours late, and should have gone on the safety on the main line. reached the city from Mexico at 10 o'clock. Shortly after the arrival at The switch to the siding, however, the club the party was introduced to had not been turned and the train the Secretary of State and the State shot into the siding and into the freight. There was scarcely time to At 11:30 o'clock Secretary Root apply the air brakes and no tima for the negineers to jump. The two the public reception was held. cambler then all the work of the different organizations goes for nothing. Mr. Smith says with the exception of South Carolina and Georgia and parts of North Carolina, where the mills are located not half as much cotton has been sold for future detary, the representatives of the Mexlivery as was sold in the same manican government.Ambassador Thompner last year. The South Carolina association has received a report that in York county alone 8,000 bales has been sold for future delivery.

"It is the weak cotton that breaks the back of the strong." Said Mr. Smith. The great bulk of cotton that would be held for the minimum price post. is forced on the market by conditions brought about by the weak fellows going on the market. I am going to call a meeting of the South Carolina county presidents in a day or so to see what can be done to put our holding schemes into practice. These holding concerns are being operated with success in other parts of the South, and I have reports from several South Carolina county organizations that the money is available. If we can hold this weak cotton off the market the fight is won, as the strong will stay off itself then."

Charged With Treason.

Havana, By Cable - Charged with became ill. treason Masso Parra and General Ducasse were arrested in accordance with orders from Governor Magoon. Several other arrests of known revolutionaries have been made but the identy of those held has been guarded. It is stated that one of them is willing to confess the plans of the alleged conspirators who intended leading a general uprising throughout badly injured. the island.
