RELIEF WORK AT ADANA RECLAIM SWAMP LANDS Armenian Representatives Assured That the Authorities Will Prosecute District For That Purpose.

With Vigor the Investigation Into the Armenian Massacres and That the Guilty Will Be Dealt With Summarily. Constantinople, By Cable.-The government is taking hold of the relief work in Adana province with vigor. It was announced that \$150,000

had been sent there. The Grand Vizier and Ferid Pasha, the Minister of the Interior, received a deputation of Armenian clergy scharani, provisional representative of the patriarchate, who was assured the government would inquire thoroughly into the Adana massacres, and severely punish those guilty of

inciting them. A number of notable Armenians met here Sunday and submitted to the government the following requests:

First, that the murderers of Christians be punished; second, that stolen property be returned, and indemnities be paid for property destroyed; third, that the women and girls who were stolen be returned, and also that men and women who were compelled forcibly to adopt Mohammedism be allowed to resume their origi-

nal faith; fourth, that the investigation conducted under the chairmanship of the governor general be suspended and that a new investigation of the disorders from their commencement be made by a military commission; fifth, that Christians be permitted to participate in the local police establishment, and sixth, that Armenians be allowed to participate in defraying the cost of erecting a monument to those who have fallen in the army of liberty.
