The wife of the man who knows it all gets back at him occasionally by saying: "I told you so!"

SHE SUFFERED FIVE YEARS

Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Erie, Pa.—"I suffered for five years from female troubles and at last was almost helpless. I went to three doctors and they did me no good, so my sister advised me to try Lydia E. Pinkham's Vegetable Compound, and when I had taken only two bottles could see a big change, so I took six bottles and I am now strong and well again. I don't know how to express my thanks for the good it has done me and I hope all suffering women will give Lydia E. Pinkham's Vegetable Compound a trial. It was worth its weight in gold."—Mrs. J. P. ENGLISH, R. F. D. No. 7, Erie, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you want special advice write Mrs. Pinkham, Lynn, Mass., for it is free and always helpful.

SOUTH'S RIGHT TO TRUTHFUL HISTORY

CRAVEN COUNTY VETERANS ASK RIGHTEOUS DEMAND OF THE PEOPLE.

WANT NO UNFAIR HISTORIES

We Owe It To Ourselves and Our Children That the Truth Should Be Revealed to Them—And Taught in the Schools.

Raleigh.—A special from New Bern states that the following letter signed by leading Confederate veterans of this county addressed to General Carr, head of the Confederate Veterans Association of North Carolina, touches upon the need of the North Carolina schools securing text-books in history that teach the truth of history and that are fair to the South:

New Bern, N. C., Oct. 3, 1911. Gen. J. S. Carr, Commanding the U. C. V. of North Carolina:

Dear Sir:—The undersigned Confederate veterans, members of New Bern camp, desire to ask your attention to the accompanying article. We believe it expresses the opinions and sentiments of the veterans. It is upon an important subject, and deals with a subject which has been too much neglected. As you will observe, it calls attention to a condition of sentiment pervading to a considerable extent in our schools which is most humiliating to the survivors of the armies of the Confederacy. The patronizing declaration of our former foes, "They believed they were right," from the lips of our school children is the result of untruths, and half truths which have been allowed to insinuate themselves into history teaching and text-books.

We respectfully ask your influence in securing the publication of this article. Your fellow veterans, I. I. Wolfstee, Commander Camp 1162, U. C. V.; S. R. Stout, 1st Lt. Com.; J. W. Biddle, 2d Lt. Com. 1st cav.; J. F. Clarke, Adjt.; W. N. Pugh, Paymaster; F. S. Emul, Q. M.; J. M. Harget, W. R. Barrington, D. H. Brinson, Daniel Lane, M. E. Whitehurst, F. J. Weathersbee, S. B. Parker, E. K. Bryan, H. C. Whitelmer, F. M. Armstrong, J. F. Heath, G. W. Latham, D. L. Roberts, L. S. Wood, J. U. Smith, L. E. Duffy, A. Lee, S. G. Roberts, I. K. Land, Ed S Street, C. F. Harget, R. W. Pugh, Hardy Whitford.

To Supreme Court As Test Case.

It is probable that one of the 61 cases brought by the last grand jury at Wilmington against as many persons for selling whiskey will be carried to the United States Supreme Court as a test case. So far as known the exact legal point involved has never been carried before the Supreme Court of the United States and many of the foremost lawyers disagree in their opinions as to the constitutionality of the law. The point argued would be that when Congress, under its power, passes a law permitting the issuance by the Government of a license covering the sale of spirituous liquors as a means of raising revenue, it is unconstitutional for a state to pass a law making the holding of such a license prima facie evidence of intent to sell liquor.

Had Miraculous Escape.

That passengers on the Seaboard Air Line Florida Limited which was wrecked at Merry Oaks, N. C., in which 18 persons injured, escaped more serious casualties was pronounced miraculous. Steel cars, it is said, prevented the loss of life. The entire train, except the engine was derailed, the express car being overturned. Express Messenger Lindal escaped with a slight scalp wound. Thirteen were seriously injured.

A New Charter Granted.

A charter was granted to C. A. Lyle & Co., of Raleigh, florists. The authorized capital is \$25,000; subscribed, \$15,000.

Scout Cars Reach Raleigh.

The scout cars of the Atlanta to Richmond tour were in Raleigh, coming a day behind the schedule time, but the gentlemen in them were full of enthusiasm over the prospects for the big run to be made in a few weeks over the same route to the meeting of good roads forces to be held in Richmond. The delay in reaching Raleigh was because the party was a day late in leaving Atlanta, thus caused by the delay in the arrival there of the cars used in the Glidden tour.

Mr. Pollard Carrying on Experiment.

Superintendent Pollard, of the Durham county roads, is carrying on an experiment in road building that promises to furnish to the county a method of securing roads of the highest efficiency and durability at less than one-third of the cost of ordinary macadam. Superintendent Pollard has discovered in several parts of the county beds of a gravel formation that can be utilized for road building just as it comes from the ground without crushing or going through any of the other expensive processes.

FOR RAILROAD BOND ISSUE

Commissioners of Forsyth Asked to Call Election on \$100,000 For Randolph and Cumberland Ry.

Winston-Salem.—The county commissioners of Forsyth will be asked to call an election for the purpose of voting bonds of \$100,000 to be applied towards the construction of the Randolph & Cumberland Railroad. A decision will be made at the commissioners' meeting within a few days. This action comes as a result of vigorous and earnest effort locally, in High Point and other communities which would be benefited by the construction of the line. The road would extend from Winston-Salem to Cameron, 84 miles, and also from this city to Elkin, a distance of 45 miles.

The issuance of the bonds is conditioned on their exchange for \$100,000 of the capital stock of the Randolph & Cumberland Railroad that it be begun not later than January 1913. Engineers estimate that the road would cost about \$20,000 a mile. The Winston-Salem board of trade special railroad committee has considered the situation thoroughly and approves the movement. A petition is now being circulated asking the commissioners to call the election and it is being generally signed with favorable comment. Other counties to be affected are taking similar action.

Monument To Cabarrus Black Boys.

A movement has been started in Concord and Cabarrus county to raise funds for the purpose of erecting a monument to the Cabarrus Black Boys, a band of patriots from this county, who performed one of the bravest deeds of the great fight for independence ever recorded in this section by destroying a British powder train at a time when they were practically unarmed and greatly outnumbered. It is the purpose of those behind the movement to perpetuate the memory of this brave band of patriots, whose daring deeds are yet unheralded and have never been accorded the conspicuous place in the history of this state that they deserve. From their deeds grew the spirit of liberty that blossomed forth into the Mecklenburg Declaration of Independence of May 20, 1775. Much of the history that is recorded of the men who composed the bands of Cabarrus Black Boys were gathered by Messrs. W. A. Foil, C. E. Boger and J. P. Cook, especially the former from whom many of the facts are secured.

Issued Strict Quarantine Orders.

The Department of Agriculture has issued strict quarantine orders because of the prevalence of cattle tick, The counties of Moore, Harnett, Johnston, Wilson, Northampton, Hertford, Bertie, Gates, Chowan, Perquimans, Pasquotank, Camden, Currituck, Edgecombe, Martin, Washington, Tyrrell, Dere, Hyde, Beaufort, Wayne, Pitt, Sampson, Cumberland, Scotland, Robeson, Bladen, Carteret, Jones, Duplin, Onslow, Pender, Columbus, Brunswick and New Hanover are quarantined. From the counties in the state of North Carolina quarantined for splenic, Southern or Texas fever, cattle shall only be moved, or allowed to move, to interstate points outside of the quarantined area in accordance with the regulation for immediate slaughter.

Dr Pratt Speaks On Good Roads.

Dr. Joseph Hyde Pratt, state geologist and secretary of the North Carolina Good Roads Association spoke on good roads in the court house at Concord. Dr. Pratt is the recognized leader of the good roads movement in the state, which has done and is doing much for the betterment of the state's highways. Dr. Pratt came here at the earnest solicitation of Cabarrus citizens who felt that a good roads association should be formed for the county. He is a live man, thoroughly awake on the matter of good roads.

Wake Teachers Hold Meeting.

There was a large attendance upon the meetings of the Wake county teachers held in Raleigh and many interesting topics were discussed. The meeting was held in the high school. All present manifested a spirit of unity and co-operation and the meeting was both pleasant and profitable.

Liquor License To Drug Stores.

The question of granting license to drug stores in Salisbury to handle liquor on prescriptions from physicians will be presented to the Salisbury aldermen this month. Two years ago soon after North Carolina was voted dry, a tax of \$5,000 was named for such privileges and at that time no drug store wanted to handle whiskey. It is now stated that at least one drug store desires to sell whiskey on prescription. The result will be watched with interest throughout the state.

To Build Bridge In Near Future.

The probabilities are that the work of building a modern steel bridge over the Northeast river at a point near Castle Hayne, connecting New Hanover and Pender counties, will be begun early next year and pushed to rapid completion. The commissioners of the two counties have advertised for bids for building the structure, the same to be opened on December 6th and it is expected that soon thereafter the contract will be let. The bridge will cost between \$30,000 and \$40,000.

TO BOOST RALEIGH

MR. W. T. DABNEY OF RICHMOND ADDRESSED WIDE-AWAKE RALEIGH AD CLUB.

TO ORGANIZE IS THE WAY

Business Manager of Richmond Chamber of Commerce Makes Strong Talk and Set Out Things Which Can Be Done to Build a City.

Raleigh.—Raleigh was entertained a few nights ago. It was instructed also. And it was told of some of the plans by which the Richmond Chamber of Commerce had taken a leading part in the progress of that city. This was in an address which had as its basic thought the best plans to "boost" a city and the value of organized work in securing the best results in making for progress and prosperity.

The speaker was Mr. W. T. Dabney, the business manager of the Richmond Chamber of Commerce, and his presence in Raleigh was secured by the Wide-Awake Raleigh Ad Club, which is proving a factor in the activity of this city. Mr. Dabney more than justified the flattering things said of him as man of ideas, of plans, and of action, and in his address he gave some straight-from-the-shoulder advice as to the proper work to do to aid in the building of a city and keeping it moving forward in its commercial and industrial life. Mr. Dabney talked business, his address making a decided impression the ideas he advocated being such as to be capable of being used to advantage.

The Wide-Awake Raleigh Ad Club held its meeting in the rooms of the Chamber of Commerce and there was present a large and representative audience of Raleigh citizens who gave close attention and liberal applause to Mr. Dabney. There was music by an orchestra as part of the meeting and cigars in abundance were there for all, the occasion proving a most happy one in every way.

Mr. Henry E. Litchford, president of the Chamber of Commerce, presided and in most pleasant terms introduced Mr. Dabney.

Date Set For a Hearing.

Raleigh.—The mandamus proceedings by which Dr. J. J. L. McCullers seeks to have the Board of County Commissioners of Wake recognize him as County Superintendent of Health are now set for November sixteen, at five o'clock in the afternoon. They were dismissed as the court held the summons to be incorrectly drawn and not against the members of the Board as a board. Judge Peebles, who is now in this district, will then be holding court at Lillington and if he can not reach Raleigh for the hearing it will be delayed until he can do so. The revised summons were served on the members of the Board of County Commissioners.

Vine of Unusual Qualities.

Greensboro.—A pumpkin vine of unusual qualities and bearing pumpkins of unusual number and size grew this year near the barn of W. F. Bennett, who lives in this city, at 218 Belmeade avenue. The vine, which is known as a "volunteer," that is, one which grew without planting or attention has produced 19 pumpkins, no one of which is less than a water bucket in size. Fourteen of the pumpkins have already been laid aside and some of these have been converted into custards and other "pumpkin" foods. Five are still on the vine.

Threatened With Epidemic.

Elizabeth City.—Pasquotank county is threatened with an epidemic of hog cholera and the farmers are much worked up over the situation. During the past few months, the swine have been dying and the stockraisers feel that they are unable to cope with the situation. Through the chamber of commerce, the farmers are appealing to the state department of agriculture to assist them in handling the disease and in saving their hogs.

Russell Has Been Captured.

Statesville.—Walter Russell, who killed June Summers in Olin township about three weeks ago, has been captured. He had been dogging the officers since the homicide, many times staying only a short distance from where the officers went in their search for him. When found he was going to spend the night at the home of a cousin in Rowan county. Mr. E. A. McDaniel, a farmer of Rowan, brought Russell to Statesville, driving from Woodleaf to Statesville in a buggy.

Floral Show Was A Success.

Concord.—The floral show which was held here by the ladies of St. James Lutheran church was by far the most successful ever held here, both from the standpoint of beauty of the floral exhibitions and financially. The sum of \$155 was realized. The following ladies were awarded prizes: Mesdames W. J. Hill (2), J. A. Kennett, J. H. Rutledge (4), Mrs. Z. M. Moore (3), W. B. Ward, J. A. Walker, D. L. Bost, G. L. Patterson, A. M. Brown and J. P. Cook and Miss Pearl Barrier.

WHAT'S THE MATTER WITH YOUR BABY?

The young mother—and many an old one, too—is often puzzled to know the cause of her child's ill nature. The loudness of his crying does not necessarily indicate the seriousness of his trouble. It may have nothing more the matter with it than a headache or a feeling of general dullness. It cannot, of course, describe its feelings, but as a preliminary measure you are safe in trying a mild laxative.

Mrs. O. R. Cray, Wellford, S. C., and Mrs. Helen Sheer, La Grange, N. C., the only laxative given is Dr. Caldwell's Syrup Pepsin. It has been found to answer most perfectly all the purposes of a laxative, and its very mildness and freedom from gripping recommend it especially for the use of children, women, and old folks generally—people who need a gentle bowel stimulant. Thousands of American families have been enthusiastic about it for more than a quarter of a century.

Arms Made to Order. A United States senator worth millions which he made rapidly, has a coat-of-arms recently acquired. He gave a large dinner party one night. His coat of arms was emblazoned in gold on the top of the dinner cards. The lady who went in with the senator, the wife of another senator, observed the insignia when she picked up her dinner card and exclaimed: "How pretty!"

Subjective. "I see somebody has invented a 'noiseless' soup spoon. In what way is it noiseless?" "Why, madam, it's constructed in such a manner that—er—you don't make a noise when you're using it."

For COLDS and GRIP. Hicks' CAPSULES is the best remedy—relieves the aching and feverishness—cures the COLD and restores normal conditions. It's liquid—effects immediately. 10c, 25c, and 50c. At drug stores.

Shipwreck Up to Date. "Captain, is there much danger?" "Not a particle. A moving-picture outfit will soon be along and rescue us after they have taken a few films."

Blood Poisoning is often caused by slight cuts or wounds. Death may result. Hamlin's Wizard Oil will draw out the poison, heal the wound and prevent serious trouble.

After a man has been married about a year he begins to wonder why his friends didn't get busy and have him locked up before he did it.

Mrs. Winslow's Soothing Syrup for Children teething, softens the gums, reduces inflammation—always pain, cures wind colic, 25c a bottle.

It takes a bachelor to think that he understands women.

WOMAN'S ILLS

Many women suffer needlessly from girlhood to womanhood and from motherhood to old age—with backache, dizziness or headache. She becomes broken-down, sleepless, nervous, irritable and feels tired from morning to night. When pains and aches rack the womanly system at frequent intervals, ask your neighbor about
