

IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles. An Ashboro Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Ashboro people testify to permanent cures.

Mrs. Cora Moffitt, living on Salisbury St., Ashboro, N. C., says: "I know Doan's Kidney Pills to be a reliable remedy for any disorder of the kidneys. I suffered severely from pains in the small of my back, I had dizzy spells and was greatly troubled with nervousness. I finally procured a box of Doan's Kidney Pills at the Standard Drug Co., and began taking them, according to directions. I am now feeling much better, my health is greatly improved and I give Doan's Kidney Pills the credit."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and make no mistake.

cover (about one cup) into which has been stirred a tablespoon of tapioca, add a half tablespoon of butter, a teaspoon of salt, and a dash of pepper. Place in the oven and bake until a light brown on top, about twenty minutes. Serve in the same dish. This is a change from the ordinary creamed onions; the tapioca is a delightful addition.

Carrots with Cream Sauce—Slice in thin rings and cook in a little water as possible, without burning. Add butter and salt and serve with a rich cream sauce flavored with grated nutmeg.

Sauce for Puffs—Boil two cups of sugar and one-half cup of water five minutes. Add one cup of thin cranberry juice and let boil again. Thicken with one teaspoon of cornstarch. Cook ten minutes. Add one teaspoon each of lemon extract and melted butter.

Baked Peas—Soak one pint of whole dried peas in cold water all night; the next morning put on to boil in same water, and as soon as they come to a boil, drain; put in a covered baking dish (unless you have a New England bean pot) with a piece of fat salt pork two inches square, and a little pepper. Bake half a day in a hot oven and when ready to send to the table dot the top with bits of butter. They are as given an American cooked peas and far more delicious.

Not Included in The Constitutional Bill of This Holiday.

The decision of the Supreme Court in the case of *Franklin County v. State*, rendered in the month of February, 1907, has caused a great deal of discussion in the State. The constitutional question, of which the case was a part, was whether the State could tax the property of the State.

The case was decided in favor of the State, and the tax was upheld. This decision has caused a great deal of discussion in the State, and has led to the passage of a law which provides for the payment of the tax.

The law provides for the payment of the tax in installments, and for the payment of the interest on the tax.

The law also provides for the payment of the tax in a lump sum, and for the payment of the interest on the tax.

Railroad Employees Read This!

The above is the headline of a card that the North Carolina Radicals are sending to all railroad employees, embodying a copy of the Follow Servant Act, making railroads liable for damages for injuries sustained by employees through the negligence of a fellow servant. After printing the law (chapter 56, page 83, Private Laws of 1897), the card goes on to say:

"This act was passed by the Republican Legislature of 1897, the Legislature much abused by the Democratic press of the State. Through this act the widows and orphans of railroad engineers and other employees have been paid hundreds of thousands of dollars. This is the first and only act along this line."

The circulation of that card makes it proper to relate the facts of history in connection with that wise and helpful act. Everybody who knows anything about the law knows that State Treasurer Benjamin R. Lacy is the father of that law. In 1896 and 1897 the organizations of railway employees began earnest efforts to secure the passage of such a law in every State. Mr. Lacy determined that the North Carolina Legislature should pass that law on the statute books. When the Legislature met the law was on the books and was passed by Mr. J. S. Hodges, Democrat, Governor of the State.

The law was passed by a vote of 20 to 10. It was a very wise law, and it has done much good for the widows and orphans of railroad employees.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in liquid and medicinal form. You may have a sure cure of this distressing kidney disease and a few bottles of Swamp-Root will do it. It is sold by Dr. Kilmer & Co., 107 N. 3rd St., New York. When writing mention this advertisement.

KEEP A SPECIALIST ALWAYS IN YOUR HOME

It can be done at a small cost if you happen to need the services of a specialist in diseases for which the following remedies are prescribed. With the exception of Elliott's Emulsified Oil Liniment, every one of them is compounded from prescriptions of some of the best Specialists in the United States. Each remedy is compounded scientifically from the purest and highest grade of ingredients manufactured and guaranteed to benefit the sufferer. Money will be returned.

Rydale's Stomach Tablets
for indigestion and dyspepsia, are compounded from the prescription of a man who has made a life-long study of the digestive organs. They are not a purely artificial digestant that relieves only temporarily, but are a combination of the best drugs known for their tonic effect upon the stomach and digestive organs. They stimulate the stomach to do its own work.
Two sizes, 50c and \$1.00.

Rydale's Liver Tablets
are made from the prescription of a professor in an Ohio medical college and are especially recommended where there is a catarrhal condition of the stomach, bile, ducts or bowels. They are the pleasantest liver medicine on earth to be as effective and powerful as they are. For biliousness and torpid liver they are without an equal. So chocolate coated tablets in a metal box, 50c.

Rydale's TONIC
is the acme of perfection in medicine as a nerve and blood tonic. In combination with other very valuable medicinal agents it contains iron, quinine and strychnine, and nothing has ever been discovered yet that would tone and build up a run-down system quicker or better than this combination of remedies. For old people and weak, puny children or anyone with a run-down system it is far superior to all other tonics. Guaranteed to cure malaria.
Two sizes, 50c and \$1.00.

Rydale's Cough Elixir
The prescription for Rydale's Cough Elixir was secured in western North Carolina near Asheville, where so many persons with lung trouble go. It will not and can not cure consumption, but for coughs, colds and bronchial troubles it never fails to benefit or cure. If it does not you get your money back.
Two sizes, 25c and 50c.

Elliott's Emulsified Oil Liniment
is not a prescription of a specialist, but an emulsion of kerosene oil, spirits turpentine, origanum, ether and ammonia. By a machinery process the oil globules are broken up into minute particles and rendered very penetrating, being quickly absorbed. It is as fine a formula for man or beast as medicine can produce. Every bottle sold on a guarantee. It is put up in half-pint bottles (yellow package), 25c.

Barney's COMPOUND
is another preparation for stomach troubles. It is impossible for one remedy to cure all forms of dyspepsia, for the reason that some people have too much acid in their stomachs, while others do not have enough. It is a physical impossibility for the same remedy to so relieve both of those conditions. Barney's Compound is especially recommended where there is an excess of acid, and where catarrhal conditions exist. For that soreness of the stomach it never fails to relieve.
Two sizes, 50c and \$1.00.

EVERY ONE OF THE ABOVE REMEDIES CONFORM TO THE REQUIREMENTS OF THE PURE FOOD AND DRUG LAW And are Manufactured and Labeled Under Serial Number 2110 Issued to the Manufacturers by the Dept. of Chemistry of the United States

If you are sick and do not know what your trouble is go to a good doctor at once. If, however, you know your trouble to be one for which the above remedies are recommended give the remedy a trial. You will get the best that medicine can produce, and your money back in case you receive no benefit from its use.

REMEMBER: These Remedies Are Not For Incurable Diseases; but that all Dealers are Authorized to Refund Your Money if You Receive No Benefit after taking any of them according to directions for troubles for which they are recommended
