Celebrated His 97th Birthday. On last Friday March 12th, about 10 mble at B P

Contact Printy matter in a month is a D P colock, the people began to assemble at D P Allred's for the perpose of colebrating Uncle Emaley Allred's 97th birthday. Some can be buggies, some in wagons, some on horseback, while others same on some on norecoset, while others can be on foot, until 100 arrived. About 11 o'clock the carpenters began erecting a table 60 feet long in the front yard. When completed the table was loaded until it almost groaned under the weight of the delicious viands

placed upon it. Uncle Emsley was then brought out in a large arm chair, and placed in front of the table. N C Allred, his oldest son, took a seat on his right, and his daughter, Mrs Samuel Underwood, and his son Bethel P Allred, were seated on the left. Then Mr Jesse Pugh took their picture including the

Raleigh News And Observer is Giving Away \$10,000.

On- of the most interesting things that takes on the barse interesting single that have one to our notice for some time is the Riddigh News and O server's great \$10000 voring contest. This contest opneaed Feb-ruary 6, and will close April 25. The pro-position appeals to us as being mighty leaver and in kseping with "The Old Re-liable's reputation for doing big things on a big scale.

clever and in kacping with "The Old Re-liable's reputation for doing big things on a gradie reputation for doing big things on a find the News and Observer is going to give away \$10,000 in prizes. It has provided what it calls three grand prizes, a \$2,000 White Steamer turing car, an \$850 Ford touring car and a Henry F. Miller \$750 Grand plano. But inaddition to these three the 'Old Reliable' is going to give away forty one chier prizes. It has divided North Carlot and a Henry F. Miller \$750 Grand plano. But inaddition to these three the 'Old Reliable' is going to give away forty one chier prizes. It has divided North Carlotins into eight districts and five prizes must go into each district. The first prixes in this district in a \$400 upright plano, the second, a \$200 diamond ring, the third, a back deposit of \$100, the fourth a \$100 buggy and the fifth, a \$50 Turkish rocker All of these prizes are to be wen in this as a chance at the three Grand prize as abely explained in the News and Observer. . Yotes are being secured in two ways: by dispersive the big issued on all paid in advance subscriptions. It is a block the biggest proposition from a sawaysper stand point that we are henry is have the time of any of our readers to look the matter up and where first ootest. There is an any reason why two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least, of these prizes whould's two or three at least of these prizes whould's two or three at least of these prizes whould's two or three
