#### Remains of Mrs. Woosley Interred Near Her Home.

The funeral of Mrs. O. V. Woosley was held Sunday morning at 11 o'clock from the Friends church at Guilford College, the body being taken at 9:30 o'clock from the home of Dr. E. R. Michaux, where she died Friday afternoon. Large numbers of friends attended the funeral of Mrs. Woosley, and many beautiful floral tributes covered the grave after the burial.

The funeral was conducted by the Rev. Joseph Peele, Mrs. Mary Woody, Dr. L. L. Hobbs and the Rev. J. E. Jay, all of Guilford College. The pallbearers were A. W. Hobbs, of Guilford College; R. E. Dalton, T. D. Sharpe, Archie Bowles and M. S. Hodgins of this city; and Mr. Womble, of Winston-Salem. The body was laid to rest in the Guilford College cemetery.—Daily News.

#### Gone West

Mr. Lindly Parker, of Cedar Grove township went to Endora, Kansas, Monday to visit his cousin Mr. Elroy Parker. Mr. Parker took with him his two little sisters, Edith and Ruth and a little brother Edwin Parker. These three children will make their future home in Kansas.

Messrs. John Morgaw and Carl Parrish went with Mr. Parker; all three will work in the Kansas wheat harvest which will begin in two weeks and continue for three weeks. Mr. Victor Parker another brother of Mr. Lindly Parker married a daughter of Mr. Millan Lockey of Concord township, last Sunday. The newly married couple went to Salina, Kansas.

The Wilkesboro Chronicle announces the fact that Mr. Bruce Craven, a bright Randolph county young man, has located at Wilkesboro in the following language in the local column of that paper:

Mr. Bruce Craven, of Kinston, has located at North Wilkesboro for the practice of law. He is a brilliant young man and we are glad that he has seen fit to cast his lot among us.

### Why Not Commencement

The following was left out last week on account of its length.

The closing exercises of Why Not Academy and Business Institute were held on Thursday, May 25th. The day was an ideal one for such an occasion, and by eight o'clock the people began to arrive, and continued to come until afternoon. Each train was well loaded. Many estimated the crowd to number five thousand people. Suffice it to say that it was the largest crowd ever seen at Why Not at a commencement.

The exercises were well rendered all through, the students reflecting great credit and honor on themselves and teachers. There were three gold medals awarded. One was given by Mr. D. A. Cornelison to the children for best rendered recitation. This was won by Dewey Slack. One was given by the Seagrave Council Jr. O. U. A. M. for the best rendered recitation among the young ladies of the school. This was won by Miss Martha Slack. The other was given by the Why Not Local F. E. & C. U. A. for the best rendered declamation among the young men of the school. This was won by Mr. H. H. Lowdermilk.

Dr. Charles E. Brewer, professor of chemistry in Wake Forest College, delivered the address. This was a masterly speech. Every one seemed well pleased with his address. It was delivered in the speaker's most happy style, and it is believed will do great good to our people who heard it. The subject was "Citizenship." Dr. Brewer made a fine impression upon his audience, and we desire to hear him again.

All the way through the commencement was a grand success. And lest we forget, we want to say that the large audience was well pleased with the music so well rendered by the band. The Farmer Cornet Band rendered the music. All were well pleased, even the refreshment men, for they sold out their goods, although there were fourteen stands; also the photographers did an excellent day's work. Following is the programme.

### SHORT ITEMS OF NEWS

President Taft has set Friday June 23 as the day on which he will be present at Fall River cotton centennial celebration.

The ninth annual meeting of the North Carolina state nurses Association will meet in Greensboro June 14, 15, 16 in the Students building at the State Normal College.

Mr. Ceaser Cone has announced that the annual picnic of the employees of Proximity, Revolution and White Oak cotton mills will take place as usual on July 4th.

On the afternoon of June 5, Claude Lougenour, aged 20 years, only son of Dr. and Mrs. P. F. Lougenour, of Statesville, was drowned in a mill pond two and a half miles from town.

While at play in the back yard of their father's home at Wilson, on last Monday, Mack Felton, the eight year old son of police officer Frank Felton accidentally chopped off two of his little five-year old sister's fingers.

Under the auspices of the woodmen of the world a handsome monument to the late John M. Julian was unveiled at Salisbury on last Sunday. Among the speakers were Senator Overman and General B. S. Royster, of Oxford.

Dr. P. R. McFadyen, who has been practising medicine at Randleman for several years, has gone to Concord where he will locate for the practice of medicine. Dr. Wilkinson, who came from East Tennessee and has been practising medicine at Worthville has moved to Randleman to practice medicine.

On the night of June 5, J. Back Robertson, aged 21, and Henry Ward Montague, aged 23, fought a duel near Eagle Rock, Wake County, resulting in the killing of Robertson and wounding of Montague. The trouble was about a young lady, who stood, horsewhip in hand, trying to separate the antagonists during the duel. One bullet cut through the young lady's dress, but did not injure her. Montague is in jail.

Dr. H. P. McKnight, of the Southern Pines, High Point, or Greensboro man is now under arrest at Greensboro. He is said to be the General Manager of the N. C. Construction Co. The arrest was made because of alleged false statements to obtain coal for the construction Co, which coal, was sold to other parties below cost. Dr. McKnight has as yet been unable to give the \$500 bond required.

#### Brokaw Buys Another Boat.

Mr. W. Gould Brokaw, of Fairview this county, is on a trip round the world. He recently leased a boat to make the trip and was to pay some two hundred or more thousand dollars for the use of it and the seventy men necessary to row it.

But Mr. Brokaw was not content with a rented boat, so he sets about and buys the Valhalla.

A New York paper says: It is the only steam yacht afloat which is a full rigged, three masted ship, and it will cost Mr. Brokaw \$150,000 a year to keep up.

But Mr. Brokaw has also equipped himself with a crew of one hundred men, has set up fore and aft Hotchkiss rapid-firing guns and has loaded one of the holds with ammunition!

"Who on earth can Billy Brokaw be going to marry now?" asked society as soon as it heard the news. "It must be a Princess at least."

### Death of Mrs. E. E. Maynard.

On Wednesday, May 31st, 1911, the many friends of Mrs. Carrie Wood Maynard, wife of Capt. E. E. Maynard, were deeply grieved and sorely pained to learn that she was dead, having breathed her last on that day at her home in Hamlet, N. C. Mrs. Maynard was for a number of years a resident of Rameur, and during that time she made many friends. To know her was to love her, so sweet and lovable was her character. She possessed in a full measure all the elements which go to make a true and noble woman. She was a consistent member of the M. E. church and was fully prepared to meet death when it came. She was 33 years of age and life was only in its zenith, yet our Master doeth all things well. She left a lovely little daughter 10 years old, a devoted husband, two affectionate sisters and two brothers and a father to mourn their great and irreplaceable loss.

Her remains were brought to Rameur and tenderly laid to rest by the side of her little son who had preceded her to the better land about ten years ago. The funeral services were conducted by her pastor, Rev. Mr. Moile, of Hamlet, assisted by Rev. O. P. Ader. The funeral offerings were profuse and very beautiful.

May God's comforting and sustaining grace ever abide with the sorrowing and grief stricken family.

### Farmer High School News.

The Trustees of Farmer High School congratulate themselves upon securing a most efficient corps of teachers for the next year.

Mr. George W. Bradshaw, of Zuni, Va., and a graduate of Guilford College, who has been Principal for the past two years, was again elected to the same position. Mr. Bradshaw has given entire satisfaction to the management of the school, and the people are glad that he will have charge for another year. He, with Miss Margaret Davis, of Guilford College, who is also a graduate of that institution, will have charge of the four High School grades, the eighth, ninth, tenth, and eleventh. The school had only ten grades last year, but a few of the patrons, wishing to secure the benefits of the eleventh grade, have pledged themselves to pay the amount necessary for an additional teacher, and the school will have eleven grades this year.

Miss Maggie Horney, daughter of the late J. F. Horney, and a graduate of Farmer Institute, will teach the intermediate grades. Miss Horney has taught for several years in the schools of Randolph and Davidson, and has an enviable reputation.

Miss Gira Byerly, who was for sometime a student at the Normal College in Greensboro, and previous to that, of Red Springs Institute, comes well recommended, and the Trustees feel sure that they have made no mistake in electing her.

Mr. Bradshaw expects to attend the summer school at the University of Virginia, Charlottesville Va., and Misses Davis and Byerly are now at the University of North Carolina, attending the summer school there.

### SUNDAY SCHOOL CONVENTION

To be held at Asheboro July 17th and 18th

The Executive Committee of the County Sunday School Association met in the Presbyterian Church in Asheboro last Monday morning, to make plans for the annual Convention of the Association.

An invitation having been extended for the convention to be held in Asheboro, that place was decided on and the 17th and 18th of August fixed as the dates for holding it.

The growth of this work has been such that it was thought best to follow the example set by the State Association and place a limit to the delegation. The officers of the Association will be delegates by virtue of their office, as well as the President and Secretary of each township, and the superintendent of each school. In addition to these, the citizens of Asheboro will entertain one delegate from each school. Credentials will be mailed to the superintendents of the school and these must be properly filled in and sent several days before the Convention to Miss Berta Ellison, Franklinville, N. C., who will communicate with the local committee on entertainment.

Each delegate, when assigned a home will be expected to pay a registration fee of twenty five cents, the money thus received to be used in defraying the expenses of the speakers attending the Convention, printing of programs, and any other expenses incidental to the holding of the Convention. Heretofore the expenses of the County Conventions have been paid almost entirely by the towns in which they were held, and the committee, following the example of the State Association in this also, have adopted this plan, in order that this expense may be borne by the Sunday School workers all over the county.

Steps were taken to secure some of the most prominent speakers in the State for the occasion, and their names will be announced later.

#### Guilford College Commencement

The readers of The Courier will be interested in a report of the announcements made at Guilford College commencement, which occurred on the 31st ult.

The scholarships awarded by Haverford College, Pa., and Bryn Mawr College, Pa., both went to students of Randolph county, the former to Mr. William Herbert Howard of Mechanics, and the latter to Miss Lillie Elliott Bulla of Sophia.

These scholarships are awarded annually to students in the senior class who make the best record, Haverford College giving \$300.00 towards the expenses of one year in that institution, and Bryn Mawr College \$400.00 for a like purpose.

The commencement exercises were of an unusual interest both on account of the large number in the graduating class and also because of a donation of \$15,000.00 made by Jeremiah S. Cox of Greensboro towards the building of a dormitory for boys. There were twenty-two members who received the bachelor's degree—eleven young men and eleven young women.

It was also announced that the Friends of North Carolina will in the near future erect a yearly meeting house on the college campus. This, along with the dormitory for young men, will render the buildings sufficient for some years to come, and will present an appearance both attractive and pleasing. Including the graded school building there will be grouped on our campus ten brick buildings, all two stories high.

Mr. Fletcher Bulla son of county commissioner B. F. Bulla graduated with distinction this year.

#### Sunday School Convention

On Sunday, June 11th, the Sunday School Convention of Back Creek Township will be held at Plain Field. Dr. W. I. Sumner and Mr. J. H. Cole are expected to be present and to give addresses.

It's a very rare man that ever remembers his wife has at least some of the rights his business partner has.
